Abe Becker, who spent last week fishing upon the Salmon river, reports an excellent catch, and brought home sufficient evidence to verify his statement. Walter Plant has succeeded F. A. Cook as bookkeeper for the Stewart Motor company, a position he held while F. C. McLean was conducting the business. Mr. Plant has moved his family from the Wigrich ranch to his property here.

Local color was added to the presentation of "Turn to the Right" at the Is's last Friday night in that "Chip" Newton, an Independence boy, was the rider of "Firefly," the game little horse which won a spectacular race. It is a Rex Ingram production, filmed at Los Angeles about a year ago. Trained in the atmosphere of racing from a youngster, and a rider of no mean ability, "Chip" spent a considerable time in the movie camps of Los Angeles. He has returned to Independence with the expectation of remaining for the winter and will devote his time largely to boxing.
