HIGH SCHOOL BREVITIES

A slide trombone, played by Floyd Blaser, has been added to the high school orchestra, which will be quite an addition to the music rendered.

Mr. and Mrs. Grow spent Thanksgiving vacation in Corvallis.

Miss Ruth Straw visited friends in Cottage Grove during the holidays.

The agriculture class has been studying balanced rations for dairy cows. No trips have been made this week on account of heavy rains and bad roads.

The school cafeteria is proving a success. The average number of students fed is 25. The domestic science girls are also getting experience in preparing and serving practical menus.
