It is a pleasure to go to your cake-box when you have baked with ROYAL Baking Powder because it is in the nature of a pure Cream of Tartar Baking Powder to keep baked foods fresh.

This means a real economy and is just one of a hundred reasons why careful housekeepers insist upon Royal Baking Powder. Some others are:

It Contains No Alum Leaves No Bitter Taste

V. A. Fishback attended Thanksgiving exercises at the Guthrie school house.

MONMOUTH SCHOOL NOTES

In the first basketball game of the season Monmouth high went down to defeat before the Independence team by a score of 20-25. The game was rather free from rough tactics and was hotly contested throughout. Monmouth took the lead in scoring, making three points before the visitors got well started. At the end of the first half the score stood 5-9 in favor of Independence. Near the middle of the second half Monmouth rallied and passed her rival by one point but was unable to hold her lead.

A large crowd saw the game. Independence brought over a large delegation of rooters armed with an over supply of noise devices. Dallas next.
