NEWS OF THE WEEK.

Survivors of the Colima Disaster Arrive in San Francisco.
RICHARD OLNEY SECRETARY OF STATE
Great Silver Meeting at Memphis—Debs Goes to Jail—Fillibusters Land in Cuba.

(From the Oregonian, San and Statesman.)
Survivors of the Colima Disaster.
SAN FRANCISCO, June 6.—Seventeen survivors of the steamer Colima arrived here today on the San Juan. When she docked, hundreds of friends and relatives of those who went down on the Colima were assembled, awaiting the landing of the passengers. Groups of women with tear-stained faces, and knots of anxious men, implored everyone on board for tidings of the lost, all hoping against hope that there might have been some mistake in the dispatches and some name omitted among the saved. The Colima survivor who landed today were: A. J. Sutherland, C. H. Cushing, jr., J. M. Thornton, H. H. Boyd, Gustave Rowan, Bruno Cadia, Jose Antonio Iolbe, Jose Manuel, Geo. D. Ross, Louis Sangene, F. J. Oriol, Juan A. Ramos, Crew—O. Hansen, F. A. Villes, Albert Carpenter, Arthur Richardson, Tom Fish. The following were landed at Mazatlan, Thomas Sariba, Domingo Albans, Angel Gutierrez, Carlos Ruiz.

Pensionable Rights of Soldiers.
WASHINGTON, June 6.—Another decision has been rendered by Assistant Secretary Reynolds bearing on the date of the termination of the war and the pensionable rights of soldiers enlisting in 1864 and 1865. The conclusion reached by Mr. Reynolds is that in all these cases the question to be ascertained is whether the enlistment of the soldiers was for service in the war of the rebellion or in the regular army. If the former, he is pensionable, and if the latter, he is not. Mr. Reynolds cites the various orders suspending enlistments for the war and those ordering the commencing of enlistments for the regular army. He says: "As to those volunteer enlistments in the regular army, after the cessation of armed hostilities, it cannot be truthfully said that their enlistment was for the war of the Rebellion."

Kentucky's Republican Convention.
LOUISVILLE, June 6.—The republican state convention closed tonight after two days' session of exciting contests. The following ticket was named: Governor, W. J. Bradley; lieutenant-governor, W. J. Worthington; auditor, S. H. Stone; secretary of state, Charles Findley; treasurer, George W. Long; attorney-general, Judge W. S. Taylor; superintendent public instruction, W. J. Davidson; register and office, Charles O. Reynolds; commissioner of agriculture, Lucius Moore.

Attempted Murder at Corvallis.
CORVALLIS, Or., June 6.—Max Friendly, a well-known business man of this place and a former proprietor of the Friendly mills, of Corvallis, shot and dangerously wounded John Long, one of the present proprietors of the mill, this morning about 10:30, and immediately attempted suicide by jumping in the river, but was rescued by two mill hands.

Editor Nickell Sued for Libel.
JACKSONVILLE, Or., June 5.—Charles Nickell, editor and proprietor of the Democratic Times of this place left for Portland tonight to appear as defendant in a suit instituted in the United States district court by Ezra Poppleton, who wants \$10,000 damages for an alleged libelous publication concerning him in the Times.
Tide of Business Rapidly Rising.
NEW YORK, June 7.—Dun's review of trade tomorrow will say: "The tide of business is rising, even as it was falling two years ago, with surprising rapidity. The gain has gone so far and so fast in some branches that the more conservative fear that it may not be maintained. But the period of dullness

which comes to each market after an unusual rise brings as yet nothing like a corresponding decline. Industries gain much, falter, fall back a little, then gain once more. The demand for money increases. One serious question remains, whether crops will be sufficient to sustain the large volume of business, but the worst reports today are far better than the estimates recently current."

Max Friendly Placed Under Bonds.
CORVALLIS, Or., June 7.—Max Friendly, who yesterday shot John Long, and afterward attempted suicide, was arranged today in Justice Holgate's court on a charge of assault to kill. He waived examination and was bound over in the sum of \$1000, which he furnished. Long's condition today is more favorable, and the attending physician entertains hopes for his recovery.

The Great Fight October 31.
NEW YORK, June 7.—The details of the Corbett-Fitzsimmons fight are all settled. It was announced this afternoon that the fight would occur in Dallas October 31. The final money will be deposited tomorrow.

Mexico's Constitutional Changes.
WASHINGTON, June 8.—Advice from Mexico state that the Mexican congress, following the suggestion of President Diaz in his annual message, has been considering important changes in the federal constitution, with a view to making it somewhat similar to that of the United States in the limitation of the rights of separate states to coin money or to hinder commerce by tariff laws which discriminate against goods from adjoining states in Mexico. Heretofore the federal government has not had the exclusive right to collect tariff taxes or internal revenues. As a result, both the federal government and the states have their separate laws on the same subject. Jealousies between states have led some of them to enact tariff laws discriminating against neighboring states.

Weekly Showing of the Banks.
NEW YORK, June 8.—The weekly bank statement is as follows:

Farewell to the Attorney-General.
WASHINGTON, June 8.—Attorney-General Olney was busy today arranging his private papers and preparing for his transfer to the state department. There was no formal leave-taking, although most of the subordinates of the department called during the day to tender their regrets and wish him

success at the head of the diplomatic branch. His duties as attorney-general ceased tonight. His last official act was to sign the commissions of B. A. Bergin, of San Francisco, appointed special assistant to the assistant district attorney of the northern district of California, to take charge of the litigation in the redwood timber land entries, and of Channey Wood, of Rapid City, S. D., as assistant to the district attorney of that state in the timber cases. Mr. Olney will be sworn in as secretary of the state Monday morning, probably by Chief Justice Fuller.

The New Hawaiian Minister.
SAN FRANCISCO, June 8.—The steamer Monowai arrived this afternoon, bringing advices from Honolulu, dated June 1. William R. Castle has been appointed Hawaiian minister at Washington, vice L. A. Thurston. He will leave for Washington August 1. Castle was an annexation commissioner when the monarchy was overthrown.

Caused by Careless Woodcutters.
ALBANY, Or., June 8.—Fire started in the timber across the river opposite this city this afternoon, and burned 500 cords of wood owned by different persons here. It raged all the afternoon, and the hard work of 50 or more men was all that saved several farm houses. Considerable fencing and timber was destroyed. The loss is probably \$2000. The fire was started by woodcutters, who built it to heat coffee, and went off and left it burning.

Missionaries Murdered in China.
SHANGHAI, June 9.—It is almost certain that all persons connected with the English, French and American missions at Cheng Tu have been massacred. The Chinese admit that all telegrams have been stopped by the government orders. A French gunboat has gone to the Yang-Tse-Kiang river to inquire into the matter. Virtually the whole province of Canton is in a state of anarchy rival factions raiding each other.

Fillibusters Landed in Cuba.
KEY WEST, June 9.—The expedition that left Key West Wednesday night landed in North Cuba in the province of Las Villas. The expedition was commanded by General Rotoff. Immediately upon landing they were joined by 2000 men under command of Lapas, Castillo and Reyes. Among the fillibusters was a prominent surgeon named Valdes Dominguez. They carried 500 pounds of dynamite. It is rumored that 14 who accompanied the expedition also were expert telegraph operators, civil engineers and powder makers.

Silk Mills at Northampton Burned.
NORTHAMPTON, Mass., June 9.—The Warren silk mills burned today. The loss was \$100,000, and the insurance \$60,000. About 160 hands will be thrown out of employment.

The Zimmerman-Johnson Race.
SYRACUSE, N. Y., June 9.—The Kirkwood Driving Park Association has offered \$3000 for Zimmerman and Johnson to race here, the race to take place three weeks from the time of the signing of the articles of agreement. No reply has been received from Zimmerman regarding the offer of the Grand Rapids Trotting Association for a race between him and Johnson July 5 \$2500.

More Hot Weather in Illinois.
BLOOMINGTON, Ill., June 9.—Another spell of fearful hot weather began Saturday. The mercury today reached 102. The hay crop is beyond redemption. There is little hope for oats, though if it rains inside of three days it will save one-third of the crop.

Wholesale Arrests made in New York.
NEW YORK, June 9.—The new

administration of the police department seems to have caused a revival of activity on the part of the rank and file in making arrests. During the week ending this morning 437 arrests were recorded in station houses and central office blotters. This number is almost unprecedented in the history of the department.

Debs to go to Jail.
CHICAGO, June 10.—Eugene V. Debs and other officials of the American Railway union, will be sent to Woodstock jail tomorrow. A certified order of the supreme court was received here today. The men under sentence are: E. V. Debs, G. W. Howard, S. Kelliber, L. W. Rogers, James Hogan, W. E. Burns, R. M. Goodwin and Martin Elliott. There is a question as to the time the men will serve. The original sentence was six months for Debs and three months for his associates, in two different contempt cases, the sentence being made concurrent by the court. The defendants' attorney later had the sentence made cumulative in order to take the desired legal action. It is thought probable that an effort will be made to have Judge Wood reinstate concurrent sentences.

Olney and his Successor.
WASHINGTON, June 10.—Olney was formally installed as secretary of state this morning. The oath of office was administered by Chief Justice Fuller.

Cincinnati, June 10.—Judge Judson Harmon left for Washington today to qualify tomorrow as attorney-general of the United States.

Lincoln as a Dark Horse.
NEW YORK, June 10.—Thomas L. James, ex-postmaster general, and president of the Lincoln National bank, said, discussing the political question: "I look upon Robert Lincoln as the likeliest dark horse in the race for the republican nomination. I believe he will get half of the entire Southern delegation, and when the break comes on the favorites, Lincoln and Allison will get the benefit of it. The Iowa senator is a well-balanced, sound-viewed man, who, next to Lincoln, possesses elements of strength where other candidates are weak. It is my opinion that Harrison cannot, by any means, be nominated."

A Jackson County Suicide.
GRANTS PASS, Or., June 11.—A suicide was reported this morning from Woodville, nine miles south of here. John Neathammer, living on Evans creek, about seven miles from Woodville, was found swinging to a beam in his brother-in-law's barn, where he had hanged himself during the night.

Is Life Worth Living?

That depends upon the liver. If the liver is inactive the whole system is out of order—the breath is bad, digestion poor, head dull or aching, energy and hopefulness gone, the spirit is depressed, a heavy weight exists after eating, with general indigestion and the blues. The liver is the housekeeper of the health; and a harmless, simple remedy that acts like Nature, does not constipate afterwards or require constant taking, does not interfere with business or pleasure during its use, makes Simmons Liver Regulator a medical perfection.
"I have tested it personally, and know that Dr. J. C. Williams' and Dr. J. C. Williams' is the best medicine the world ever saw."
