Coin's Financial School Dramatized—Nebraska's Big Beet Crop—Robert J. Wins a Great Race—To Defend the Cup.
[From the Oregonian and Statesman.]

REPUBLICANS WILL ORGANIZE EARLY.

CHICAGO, Aug. 29.—The National Republican League has issued a proclamation to all state league clubs and the republican party at large. The proclamation says that in view of the probable shortening of the next presidential campaign it is important that all of organization shall be started at once and pushed in the most energetic manner.

ROBERT J. WINS A GREAT RACE.

NEW YORK, Aug. 29.—The most inspiring exhibition of speed ever witnessed at Fleetwood took place today when Robert J., Mascot, John R. Gentry and Joe Patchen started. Robert J. won in three straight heats.
Time—2:06; 2:04; 2:04.

UNANIMOUS FOR ANNEXATION.

LONDON, Aug. 29.—Col. McFarlane, formerly aide-de-camp to the late King Kalakaua, has just arrived in London. In an interview he said that he was informed the old form of government representatives would wait upon President Cleveland when congress assembled to urge the annexation of the Islands.

BISSEL OFFERED THE VACANCY.

BUFFALO, Aug. 29.—An evening paper declares that ex-Postmaster-General Bissel has been offered by President Cleveland the place on the United States supreme court bench made vacant by the death of Judge Jackson. The paper adds that it is not likely that Mr. Bissel will accept. Mr. Bissel left early this week for Mariott, on Buzzard's bay.

THIRTEEN MINERS LOST.

CENTRAL CITY, Col., Aug. 29.—The accidental flooding of the Americas and the Sleepy Hollow mines, this afternoon, caused the death, it is believed, of 13 miners. Every effort is being made to rescue the men, but little hope is entertained.

Soon after 3 o'clock the water in the lower workings of the Fisk mine, east of the main shaft, broke through the old workings of a vein which has not been worked for a number of years. Coursing eastward, it struck the Americas, where two Italians, whose names have not been learned, were at work in the lower part of the shaft. They were both drowned. In its course, the water diverted to the Sleepy Hollow mine, the easterly portion of the Fisk vein.

LI HUNG CHANG AGAIN IN FAVOR.

SHANGHAI, Aug. 29.—Li Hung Chang has been appointed imperial chancellor by imperial decree, in place of the viceroy of the province of Chi Li, which office he has formerly held.

READ IS NOT INSANE.

SALEM, Aug. 29.—The Rev. J. C. Read, who acquired notoriety in connection with an attempted bank robbery in Portland and was afterward placed in the insane asylum, will be discharged in a few days for an unusual cause. Superintendent Paine and other officials at the asylum, after discussing the question thoroughly, state that he has given no evidence of insanity since his reception at the asylum, hence he will be discharged not as "improved" or "cured" but as a sane man. Concerning Read's commitment, the superintendent says he may have shown signs of mental derangement prior thereto.

CHOLERA IN HAWAII.

SAN FRANCISCO, Aug. 30.—The steamer Modawai, which arrived tonight from Australian ports, did not stop at Honolulu as usual. When off that port the steamer was hailed by an American consular in a small boat, who announced that cholera had broken out in Honolulu. Already there has been eight deaths from that disease among the natives and Chinese. As cholera broke out soon after the steamer Belgic left on her last trip, it was presumed the disease was brought from Japan by that vessel. The Monawai did not enter Honolulu harbor, but steamed direct to San Francisco. Her passengers for Honolulu were brought here.

SHIPMENT OF GOLD TO EUROPE.

NEW YORK, Aug. 30.—Handy & Harman ship \$100,000 and Steinwender & Steffen \$150,000 in gold tomorrow. Neeslage & Fuller have increased by \$50,000 their engagements made earlier in the week. Hard & Rand ship \$200,000 in gold tomorrow. Crossman & Bros. have decided to increase their shipment to \$1,500,000.

ENCOURAGING IF TRUE.

NEW YORK, Aug. 30.—Bradstreet will tomorrow say: The concluding week of August surprises even the more optimistic with the stunning increase in the volume of business.

A WELL DEFINED CASE OF LEPROSY.

ST. LOUIS, Aug. 30.—A leper, whose malady was well defined and pronounced genuine by leading physicians and the health authorities, left St. Louis for parts unknown. He came from Southern Texas.

TO DEFEND THE CUP.

NEW YORK, Aug. 30.—The America cup committee formally decided at a meeting held this evening that they had selected the Defender to meet the Valkyrie for the America cup.

MORE ARMENIAN OUTRAGES.

LONDON, Aug. 30.—A Chronicle dispatch from Berlin says the Vossische Zeitung has heard from Tiflis that 500 Turks and 1000 Kurds attacked the Armenian town of Kemakh and several villages. They plundered the churches and monasteries and burned the houses.

CHINA GRANTS THE FRENCH INDEMNITY.

PARIS, Aug. 30.—Official advices here are to the effect that the Chinese government has granted French missions in the province of So Chuen an indemnity of 4,000,000 francs.

A SENSATIONAL RUNAWAY ACCIDENT.

ROSEBURG, Aug. 30.—A party, consisting of S. C. Flint and wife, Thomas Hinkle, Misses Jennie Buick and Marie Wissing, left Roseburg this morning for Tioga, twenty-five miles east of here. When within five miles of their destination and at Lone Rock ferry, on a heavy grade, the neck-yoke of the hack broke, frightening the horses. In running down grade the hack struck a large tree, throwing all out in a heap. The ladies received some bruises, and Hinkle was badly bruised about the head. Flint was badly injured about the legs, and when the messenger left was unable to speak. Medical attendance left here this evening.

FOUR ATLANTIC STATES SHAKEN.

BROOKLYN, Sept. 1.—Three distinct earthquake shocks were felt by residents of Brooklyn about 6 o'clock this morning. No damage to life or property is reported from any section of the city. The districts of East New York and South Brooklyn received the greatest shocks, but the rumblings were distinctly felt in other sections of the city. Contradictory reports are given as to the severity of the shocks. The first shock, which was felt at 6 o'clock, was followed

Highest of all in Leavening Power.—Latest U. S. Gov't Report

by a rumbling noise like distant thunder. This was followed by two slighter shocks, which, according to some reports, died away in low, grating tones.

JERSEY CITY, Sept. 1.—New Jersey felt the force of the earthquake. The tremor extended throughout the northern part, while the southern section appears to have escaped the experience entirely. From all of the cities and villages in the northern section, the story received is the same.

PHILADELPHIA, Sept. 1.—An earthquake lasting several seconds was felt at 6 o'clock this morning. The disturbance was violent enough while it lasted to create a good deal of consternation and not a little damage. Buildings perceptibly swayed, and pictures toppled from their places.

WILMINGTON, Del., Sept. 1.—Quite a perceptible shock of earthquake was felt in this city about 6:30 o'clock this morning.

MCKINLEY A BIG FAVORITE.

SAN FRANCISCO, Aug. 31.—The Evening Post sent a letter to the chairman of every republican county committee, asking who he considered the logical nominee for president by his party, and who the best candidate for vice president. McKinley had fifteen supporters, four favor Allison; Harrison had two and Don Cameron one. Reed is second choice of two. For vice president, five favor Reed and the other votes are: Lincoln four; Estee two; Felton one; Elkins two; Morton two; and three favor a Pacific coast candidate unnamed.

FILIBUSTERERS HELD.

PHILADELPHIA, Aug. 31.—The Cuban filibusters arrived yesterday. They were held in \$300 bail each for the United States court.

DECISION AGAINST WOMEN.

SALT LAKE, Aug. 31.—The supreme court has decided that women cannot vote at the coming election in November. The case came up on appeal in a suit of Sarah E. Anderson against Charles Tyree, register officer at Ogden involving the question of women voting. Judge Merritt said the Edmunds-Tucker law had not been repealed and would remain effective until statehood was achieved. There had been no intention on the part of the constitutional convention to allow women to vote at the first election in November next, but to allow them to vote thereafter.

CHEHALIS A WINNER.

WOODLAND, Cal., Aug. 30.—Chehalis won the 2:18 class pacing race today. Pathmont second. Best time 2:10 1-5.

EXTENT OF THE DREADED DISEASE.

ST. PETERSBURG, Sept. 1.—Official returns show that there have been 2250 cases of cholera and 718 deaths from that disease in the government of Volhnia, between July 11 and August 17.

DEATH OF AN OFFICIAL.

THE DALLES, Sept. 1.—City Treasurer I. I. Burget died this morning soon after 1 o'clock. The immediate cause of his death was a hemorrhage, but he had for several years been a sufferer from consumption. During the past six months he has been very feeble and walked and talked with difficulty. He has, however, attended to the duties of the treasurer's office and was in his office yesterday as late as 6 o'clock. During the night he awoke choking and sat on the edge of the bed. A hemorrhage resulted and before

A LABORER INSTANTLY KILLED.

PORTLAND, Aug. 31.—John Sundberg was instantly crushed to death at 2:15 this afternoon on Second street, near Washington. Sundberg was struck on the head by a derrick, which split the skull open, so that the brains oozed out.

NEBRASKA'S BIG BEET CROP.

NORFOLK, Neb., Sept. 1.—There are about 4000 acres of sugar beets in Norfolk district all "laid by," and in much better condition than in any previous year. Recent rains have benefited the beets greatly. With continued favorable conditions for roots, the results of harvest will exceed other seasons, and will probably be more than 40,000 tons, which would mean an output of some 7,000,000 pounds of granulated sugar, and a run of more than 100 days and nights.

"JACK THE RIPPER" WAS A MEDICAL STUDENT.

NEW YORK, Sept. 1.—Dr. Forbes Winslow, of London, a well-known specialist on suicide and insanity, says that "Jack the Ripper," who by his crimes terrorized London a few years ago, is incarcerated in a county insane asylum in England. Dr. Winslow says the fact is known to the doctors, but they hushed up the facts. Dr. Winslow says he is a medical student, suffering from suicidal mania.

THE AMERICAN CUP RACES.

NEW YORK, Aug. 31.—The conferences between Lord Dunraven and the cup committee resulted in the issuance by the club of this announcement:
"The match for the America cup contest will consist of the best three out of five races over courses 30 miles in length, with a time limit of six hours. The match will commence September 7, and will be continued on alternate days. The races will be started off Sandy Hook lightship, and the preparatory signal being given at 10:50 A. M. and the starting signal at 11 o'clock."

COINS FINANCIAL SCHOOL DRAMATIZED.

CHICAGO, Sept. 2.—Probably the most novel stage production ever witnessed in Chicago was given last night before a large audience at the Chicago opera house. It was a dramatization of free silver in politics, and judging by the remarkable circumstances attending the first public performance the piece may not unlikely attract widespread attention.

EUROPE'S PEACE ENDANGERED.

LONDON, Sept. 3.—In a leading article published today, the Globe expresses the opinion that the German celebration endangers the peace of Europe. The tone of the Berlin papers has been offensive and such as to needlessly wound the feelings of the French people. The emperor has allowed himself to use language which is at least capable of being misunderstood. While the Globe does not believe that the emperor desires war, his utterances, it is said, are assuredly not such as to further peace.
