WE STILL HOLD THE CUP.

NEW YORK, Sept. 12.—Defender crossed the finish line at 4:01:15 this afternoon, having sailed over the course alone. Valkyrie crossed the starting line to establish the race but immediately turned back and was towed to her anchorage at Bay Ridge. Commander Glennie, in explanation of the Valkyrie's conduct said: "I cannot tell you whether the cup committee did or did not receive Lord Dunraven's letter, but the substance of it was that he would not sail unless he was guaranteed a course free from interference, which he thinks he has not had thus far. Had we been assured the course would have been kept clear for even five minutes before the starting time, we would have sailed. We went down to the line and acted honorably. We went across so as to make it a race and then, as you know, we returned. It was necessary for us to cross the line in order to make it a race."

A FRIGHTFUL EARTHQUAKE IN HONDURAS.

NEW YORK, Sept. 12.—A special from Tegucigalpa, Honduras, says that reports received from Yetapan are that a severe earthquake has occurred in that section. It is estimated that the loss of life will be 250, and the loss of property perhaps \$1,000,000. The earthquake commenced Sunday and lasted during the day and night. Thousands of persons have been driven from the mountains. Monday sheets of flame were noticed on the horizon, adding to the alarm. By Tuesday morning public confidence had been restored and the mountaineers had started for their homes. But late that night the quake was again heard, and the people returned to the suburbs. At midnight the tower of the church fell, killing 10 persons and wounding a score or more. Shortly before daylight another severe shock was noticed. Many persons were killed by falling rocks. Fire, smoke and lava issued in enormous quantities from the mountains.

OREGON PIONEERS.

Death of Harry F. Thompson.
COTTAGE GROVE, Ore., Sept. 12.—Harry F. Thompson, an old and highly respected resident, aged 65 years, died at this place yesterday evening. The deceased was born in Christ Church, England, November 7, 1830; came to California in 1852, and from thence to Oregon in 1872. Mr. Thompson was an Odd Fellow for 35 years, and will be buried under the auspices of that order tomorrow. He left a widow and three children.

Mrs. Alexander Seavey.
EUGENE, Ore., Sept. 12.—Mrs. Alexander Seavey, a well known and highly respected pioneer lady, died this morning at the home of her son-in-law, Hon. Jasper Wilkins, near Coburg. She was 57 years of age, and has resided in this county since 1854. Her illness was brought on while attending the sick bed of her mother. She was taken suddenly with pneumonia, and was not able to be removed to her own home, several miles distant. She left a husband, five sons and two daughters.

AN UNEXPECTED TURN.

NEW YORK, Sept. 12.—Bradstreet tomorrow will say:
The week is characterized in trade circles by an unexpected turn. This is reflected in all markets from which supplies are distributed to those regions. Relatively unfavorable features are felt in the quieter tone in dry goods, jobbing circles, the check of seasonable

trade throughout the central West due to unusual heat, low prices for men's wools and an unsatisfactory look due to depressed quotations abroad. The feature of the financial situation has been the liability of the treasury gold to the depleting influence which asserted itself in a very unpleasant way on the strength of confidence the market had exhibited for several weeks, giving place to general liquidation and decline of prices.

MR. BYRAN ON HAND.

PORTLAND, Ore., Sept. 12.—Ex-Congressman W. J. Bryan arrived here tonight. He goes to Puget sound tomorrow, thence to San Francisco, from whence he will return to Oregon. He will deliver two addresses at Salem during the state fair.

TO JOIN SPAIN'S FORCES IN CUBA.

BUENOS AYRES, Sept. 12.—Eleven hundred Spanish volunteers have left here to join the troops in Cuba.

THE MORA CLAIM TO BE PAID TODAY.

WASHINGTON, Sept. 13.—The methods for the payment of the Mora claim have been definitely settled and a draft prepared for the transfer tomorrow. It will call for an equivalent in English pounds sterling of \$1,499,000, made payable to Secretary Olney. The loss of \$1000 from the amount, \$1,500,000 originally agreed upon is due to the difference between the value of the Spanish peso and the American gold dollar.

TWENTY-FIVE PER CENT CUT.

SAN FRANCISCO, Sept. 13.—The California railroad commission today adopted Commissioner Stanton's resolution reducing the general freights of the Southern Pacific on an average of 25 per cent.

MUST STAY OUT.

WASHINGTON, Sept. 13.—The secretary of the treasury today sent a telegram to the collector of customs at Ogdensburg, N. Y., directing him not to admit any of the 200 Chinese recently landed in Vancouver, en route to the Atlanta exposition.

THE ASSOCIATED BANK'S REPORT.

NEW YORK, Sept. 14.—The showing of the associated banks for the week is:
Reserve, decrease, \$8,161,525
Loans, increase, 4,333,100

WASHINGTON, Sept. 14.—The treasury department was not advised of any great withdrawals or deposits today. The true amount of the reserve at the close of business today was \$96,332,554. The department's statement, however, shows:
Available cash balance, \$182,824,868
Gold reserve, 90,632,544

PACIFIC COAST AND THE CHOLERA.

WASHINGTON, Sept. 13.—Dr. Wyman, surgeon-general of the marine hospital service, speaking of the cholera in Honolulu said today that the quarantine service on the Pacific coast is in a very good condition. Every port of entry has been inspected by the regular marine hospital officers and compliance with treasury regulations assured. The marine hospital service has quarantine establishments at Port Townsend, Wash., San Diego, Cal., and a complete quarantine service at San Francisco, with regular officers of the service in charge. At Gray's harbor, Wash., there is a

sanitary inspector of marine service, and one at Empire City, Or. The ports of Portland and Astoria, Or., are in charge of state officers, acting under special instructions issued by the marine hospital service. At Eureka, Cal., there is a regular sanitary inspector.

THE UTAH POPULISTS.

SALT LAKE, Sept. 14.—The territorial convention of the populist party was held here today, and a full ticket was put in the field. Henry W. Lawrence, of Salt Lake, was nominated today for governor, and James Hogan, of Ogden, for representative in congress.

SPAIN PAYS THE MORA CLAIM.

WASHINGTON, Sept. 14.—Senor de Lome, the Spanish minister, at noon today delivered to Mr. Adee, acting secretary of state, a draft for an equivalent of \$1,449,000, drawn on the Spanish financial agent in London, in settlement of the Mora claim.

NEW YORK'S EXPORTS AND IMPORTS.

NEW YORK, Sept. 14.—Exports of specie from the port this week were \$19,233,391, of which \$8,228,281 were gold. The imports for the week were:
Dry goods, \$3,112,487
General merchandise, 1,067,325
Gold, 27,051
Silver, 16,320

WALLER'S CAUSE SAID TO BE LOST.

PARIS, Sept. 14.—Siecle says the United States has received a complete explanation from the French authorities in the case of ex-Consul Waller, who is imprisoned under a sentence of 20 years for having been as alleged, in correspondence with enemies of France in Madagascar and that his cause is irretrievably lost.

LEADER OF THE GANG ARRESTED.

PENDLETON, Sept. 14.—A telephone message from Pilot Rock was received in this city this afternoon from Deputy United States Marshal J. M. Bentley, saying that he had caught James Clark, a counterfeiter, and chief of the gang that has been operating in the country south of Pendleton. Bentley left Pendleton on Wednesday, in possession of information where the Clark rendezvous could be found; also where a large amount of spurious half-dollars were buried in a secluded spot. He saw where the money had been buried, but some one had been there before him and dug it up. Clark was found on Texas bar, 100 miles from Pendleton, on the North fork of the John Day.

CRISP HAS NOT DECLARED FOR WHITNEY.

ATHENS, Ga., Sept. 15.—Ex-Speaker Crisp denies having declared for Whitney as the democratic nominee for the presidency, and says he has not expressed a preference for any one for that office.

ONE CHINAMAN FOR ONE FOREIGNER.

SHANGHAI, Sept. 15.—Chinese officials at Ku Cheng are proving obstinate over the results of the inquiry into the outrages upon missionaries and are unwilling to sentence the guilty. They offer one life for each European killed, and no more.

POSITIVELY NO MORE RACING.

STAMFORD, Conn., Sept. 15.—Commodore Smith was interviewed at his home tonight. He said: "I am perfectly satisfied in saying there will be no more races between the Defender and the Valkyrie. That is positive. The only

object of the meeting Friday night was to talk over the late match and see if it were possible to have them resailed. It was decided that they could not be resailed. The unsatisfactory end of the cup races will not necessarily put an end to the international yacht racing. The New York Yacht Club course is the best outside course in the world, excepting none. The people ought to see the races for the America's cup. It was won with the world looking on, and the world has watched the races. To sail in secret would hold the custodians of the cup to universal contempt."

INCREASING IMMIGRATION.

WASHINGTON, Sept. 15.—The immigration during the month numbered 27,199, and for the year up to date 213,733, as opposed to 17,448 and 166,581 during 1894, respectively.

HORNBLOWER WILL GET THE PLUM.

WASHINGTON, Sept. 15.—It was learned today that President Cleveland has determined to offer to William Hornblower, of New York, the place on the supreme bench left vacant by the death of Justice Jackson. The president has been in communication with Mr. Hornblower, and he is willing to accept the appointment, provided there can be no doubt of his confirmation by the senate. It is well known that Senator Hill will make no objection to the confirmation, and that apparently leaves his chance good for the nomination. The president's admiration of Mr. Hornblower is well known, and his was the first name thought of after Justice Jackson's death.

CHOLERA QUARANTINE.

SAN FRANCISCO, Sept. 15.—The local health officers are seriously considering the establishment of quarantine stations at the north and south lines of the state along the railroads. The plan will be considered at the joint meeting of the local board of health, the surgeons of the United States marine service and the state board of health, to be held next Tuesday. Those whose duty it is to look after the sanitary condition of the city and prevent the introduction and spread of epidemic diseases are thoroughly aroused to the danger which is threatened to the city and state by the close proximity of Asiatic cholera. As already announced, the board of health has declared Honolulu an infected port, and hereafter all vessels from there will be detained and thoroughly fumigated.

EXHIBIT OF MANY COUNTIES.

SALEM, Sept. 15.—Linn, Lane, Marion, Polk, Yamhill and Jackson counties have secured space in the pavilion for county exhibits at the state fair. Interest in the exhibit by counties is on the increase, and will, no doubt, hereafter be an interesting and a permanent feature of the fair. The custom was inaugurated last year with two counties, Yamhill and Jackson, in the contest. Because of some irregularities the premium was divided.

OLD SOLDIERS AND SAILORS.

ASHLAND, Ore., Sept. 16.—Ashland's streets are decorated with flags, bunting and evergreens tonight, in honor of the annual reunion and encampment of the old soldiers and sailors of Southern Oregon, which opens here tomorrow and continues five days. Many visitors are already here, and an interesting time is anticipated. The Chautauque grounds are to be utilized for the encampment, which will be conducted in regular military style. Representative Hermann and wife will arrive tomorrow, and Hermann will speak Wednesday. Senator Mitchell will come Thursday and participate in the citizen's programme that day.
