**THE POLK COUNTY PRESS.**  
News Items and Editorial Expressions.

From the Dallas Observer.  
Mr. Riley Hubbard moved his family to Yaquina Bay this week.  
Dallas can now boast of as good a railroad as any town in the state.  
County Clerk Mulkey is busy making two copies of the county assessment roll.  
Deputy Sheriff Ashbaugh is about the streets again, but looks pale from his late sickness.  
It is a small delinquent tax roll for Polk county this year. Sheriff Plummer is "onto his job," and knows how to bring his in.  
Notwithstanding the price of hops will barely pay for the harvesting this year, the Dallas growers are not discouraged, and will go ahead cleaning up their yards for another crop.  
Mr. auld Hubbard and family have moved from their farm near Oakdale to King's Valley. In Mr. Hubbard's removal, Polk county loses an old and substantial citizen.  
The manner in which the Academy of Dallas is being conducted reflects credit not only upon the management of the school and the students in attendance, but upon the cause of education itself.

**THE INDEPENDENCE National Bank!**  
Capital Stock, \$50,000.00

From the Dallas Itemizer.  
J. S. Werts and family will leave tomorrow for Tillamook City to make their home.  
Three car loads of hops were shipped from here yesterday and three more will go tomorrow.  
W. A. Pike, of Zena, took his large crop of dried prunes over into the Tillamook country for sale.  
The Dallas flouring mill has a new water wheel of seventy horse power in place of the old one which was only forty horse power.  
Paul Kingston, of McCoy, must be an extra good section boss for the railroad have kept him right in that capacity for sixteen years.  
W. M. Hunter, of McCoy, will have 450 acres of grain to cut next summer. A big field of it on the Frizzell place looks remarkably well.

If all county courts were as discreet in dealing with the general interests of their county as is that of this county, there would be but little real cause of complaint, but some people must and always will find something to kick at.  
J. F. Groves has sold his output of about 140 bales to Meeker at 6 1/2 cents, the 100 bales of H. B. Plummer's fetched 6 1/4 cents, Judge Burch let 85 bales go at 6 1/2 and Peter Hanson eighty bales at 6 1/2. The three lots last named were bought by Ed. Herren, of Salem, and go directly to London.  
We point with pride to the fact that at the recent fair our Mrs. Wolfe beat the state in cabbage, took first premiums in mangold, wurtzell, early and late potatoes, parsnips, kale, rutabagas, turnips, largest tomatoes, best variety of vegetables, and second premiums for table beets, kohlrabi and best group of vegetables. Old Polk leads the state yet.—Falls City Correspondent.

**THE RENOVATION OF NEW YORK.**  
Rev. Dr. Robert Collyer, Pastor of the Church of the Messiah.  
One of the most striking and significant developments of the time is found in the change which has come over the municipal conditions of New York city within the last two years, and which has its latest manifestation in the Police Commissioner's work in enforcing the laws against liquor on Sundays. It illustrates once more the great fact that interwoven firmly into our social fabric is a vast influence for cleanliness and honesty and justice, which will always show itself and hold the cloth together when the threads of corruption rot and fall away. A grand work has been done,—work which will be permanent in its effects. Tides ebb, it is true, and New York will probably fall a little way to her old condition; but tides flow again, and

New York's morality will rise, I believe, until no city can boast of a cleaner heart. The influence of her experience will extend to other American cities, moreover, as ripples of water widen and widen after the splash of a stone. I know of no more hopeful sign of progress than that so manifest right here in New York. Of course, there are people who find fault with it; I know of people who would find fault with their crown of glory if they should ever get one. They remind me of the story of a man who went up to the gate of heaven and requested St. Peter to admit him.  
"Where are you from?" asked St. Peter.  
"I'm from Boston."  
"Well, you can go in," said St. Peter, "but you won't like it."  
From "Are We Moving Forward?" in Demorest's Magazine for November.

**THEY SWAPPED BOX MOTS.**  
Grand Rapids Press: Senator David B. Hill and General Matthew Brady were rival after dinner speakers at a recent New York luncheon. Mr. Hill spoke first, and think us to excite a bit of merriment at the expense of the other, he said:  
"Twixt Brady and Brandy There is only one letter, If Hill was in hell I'd like Brady better."  
The laugh went round, in which Brady tried hard to join, with moderate success—but all the time he was thinking. When his turn came to speak, the result of his thoughts resolved itself into this:  
"Between Hill and hell There is only one letter, If Hill was in hell I'd like Hill better."  
Worthy Your Confidence.

The success of Hood's Sarsaparilla in conquering scrofula in whatever form it may manifest itself is vouched for by thousands who were severally afflicted by this prevalent disease, but who now rejoice over a permanent cure by Hood's Sarsaparilla. Scrofula may appear as a humor, or it may attack the glands of the neck, or break out as dreadful running sores on the body or limbs. Attacking the mucous membrane, it may develop into catarrh or lodging in the lungs lead into consumption. Come as it may, a faithful course of treatment with Hood's Sarsaparilla will overcome it, for working upon the foundation of all diseases, impure blood, the system is clarified and vitalized, and vigor, strength and health restored to the body.

Prof. L. D. Edwards, of Preston, Idaho, says: "I was all run down, weak, nervous and irritable through overwork. I suffered from brain fatigue, mental depression, etc. I became so weak and nervous that I could not sleep. I would arise tired, discouraged and blue. I began taking Dr. Miles' Nervine and now everything is changed. I sleep soundly, I feel bright, active and ambitious. I can do more in one day now than I used to do in a week. For this great good I give Dr. Miles' Restorative Nervine the sole credit. It Cures."

Castoria.  
"Castoria is a excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."  
Dr. G. C. Gibson, Lowell, Mass.  
"Castoria is the best remedy for children of which I am acquainted. I hope this day is not far distant when mothers will resort to the real interest of their children, and use Castoria instead of the various quick remedies which are destroying their loved ones, by forcing opium, morphia, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."  
Dr. J. F. Kitchener, Conway, Ark.  
"Castoria is so well adapted to children that I recommend it as superior to any preparation known to me."  
T. A. Anderson, M. D., 111 So. Oxford St., Brooklyn, N. Y.  
"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
