ALL the signs of the time indicate that the Christian nations of Europe are preparing to carve a large Thanksgiving Turkey.

THE kettle is calling the pot "black." The Salem Statesman says "it is the style in Portland now to go into the hands of the receiver."

THE czar of all the Russias is unhappy. His first born is a girl. If it had been a boy there would have been booming of cannons from St. Petersburg to Vladivostok.

"HAL" GREEN, a young society gentleman of Portland, swallowed a dose of cyanide of potassium, a deadly poison, on Friday afternoon of last week and in twenty minutes he was a corpse. He was only 23 years of age and a general favorite among a wide circle of acquaintances, but fast living had evidently sapped the virility of his character, and in a moment of temporary despondency he severed the magic cord of life. It is hinted that a love affair had something to do with his suicide. Men and women of strong and robust character never succumb to the cruel miscarriages of the divine passion, but by the sheer force of will power master the old passion or find solace in a more congenial attachment.

THE republicans and democrats have put fairly good tickets in the field for municipal officers, and the people of our city can hardly make a mistake in selecting their candidates. The candidates for mayor are both representative men and each have a strong personal following. It is probable that neither party could have made a more judicious selection. The candidates for marshal are both strong and competent men, and the same can be said of the candidates for city treasurer. The republican candidate for recorder is a well known business man and competent in every way, and his opponent is also well known in this community. The respective candidates for councilmen are all representative citizens, honest and competent. The city's interests are perfectly safe in the hands of the next council.

In these times of low prices, impoverished trade and labor boggling for the crumbs that fall from Diogenes' table, it may sound somewhat ironical to hear an ex-minister to Russia extolling the great wealth of this country before the New York chamber of commerce, but it is the kind of talk that makes us all feel proud we are Americans. "In two decades, from 1870 to 1890," said Ex-Minister Charles Emory Smith, "the three powers of Great Britain, France and Germany, all combined, with their 125,000,000 of people, gained in wealth \$30,000,000, while the United States alone, with its 60,000,000 of people, gained \$238,000,000. The United States earns two-thirds as much as the other three put together. Their debts are piling up; ours are melting away. Their taxes are rising; ours are falling. Their productive forces are stripped for arms and armaments; ours at the plow, the forge, the loom and the exchange. England's taxes are 10 per cent of her earnings; France's 13 per cent; Germany's 10 1/2 per cent; while ours are only 5 per cent. We are only at the threshold of our development. The Nicaragua canal, constructed by American capital

and owing allegiance only to American control, will open through the continent a highway of the sea, and New York, wresting the final sceptre from London, will stand like another Venice of the canal and narrower days, as the focus and emporium of the world's wide commerce between the Orient and the Occident."

Council Proceedings.

City council convened in regular session November 19. President Cook in the chair. Members present: Cook, Finch, Percival and Walker. Absent: Clodfelter and Strong. Street committee reported in favor of repairing grade across gully on William's street in Third ward. On motion said report was adopted. A motion prevailed that new crosswalks be placed across 7th street on south side of C street and across F street on west side of 4th street, also across 4th street on south side of F street.

A motion prevailed that George Richardson be appointed clerk of city election in First ward in place of W. O. Cook, and C. G. Griffa for clerk in Third ward in place of J. D. Winn. Mr. Cook having become ineligible because of nomination for city recorder and Mr. Winn because of non-residence.

The following bills against town were allowed:

Robert Suitor (lumber account) \$54.72; Griffa & Finch (for labor) \$7.00; A. J. Tupper (grading C street) 7.50.

A petition was read asking for an electric light at the intersection of Fifth and D street—referred to street committee. On motion council adjourned.

Democratic Ticket.

Pursuant to call the democratic voters of Independence met in convention on Monday evening at 7 o'clock p. m. for the purpose of putting a municipal ticket in the field.

Mr. A. J. Goodman was elected chairman of the meeting; B. F. Burch was elected secretary; H. J. Mercer and J. H. Alexander; tellers. The following candidates were nominated by acclamation: For mayor, Dr. T. J. Lee; recorder, J. T. Ford; marshal, W. W. Williams; treasurer, Ed Masterson; councilmen, First ward, W. H. Craven; Second ward, G. W. Henkle; Third ward, Marsh Merwin; committee-man: First ward, L. C. Gilmore; Second ward, J. W. Kirkland; Third ward, H. C. Finch. On motion the meeting adjourned.

The Companion Calendar—1896

The publishers of THE YOUTH'S COMPANION are sending to their subscribers free an art Calendar which will be highly appreciated. Four elegant water-color paintings are reproduced in all the beauty of color and design of the originals, and of such size (7 1/2 x 10 inches) that they may be framed with fine effect. The first two pictures offer a striking contrast—a blustering March day in the sugar orchard, and a peaceful scene in midsummer. Then follows the noonday rest in the harvest field, a charming bit of color with a foreground of goldenrod and brilliant autumn foliage. The winter walk to church over snow covered fields is the last of the series.

To all new subscribers to the paper who send their name and address and \$1.75 at once, the Publishers offer to send free this handsome Calendar, lithographed in nine colors, the retail price of which is 50 cents. The Calendar free every week to January 1, 1896, including the Thanksgiving, Christmas and New Year's double numbers, and THE YOUTH'S COMPANION fifty-two weeks—a full year to January 1, 1897. Address, THE YOUTH'S COMPANION, 195 Columbus Avenue, Boston.

Walked With Crutches

Rheumatism—Eczema—Swelled Neck—Hood's Cured.

"For two years I have been sick, have been confined to the house for a year, have had eczema for nine years, having skilled physicians, but received no benefit. Last winter I caught cold and became

Afflicted With Rheumatism, which put me on crutches. Last July I commenced to use Hood's Sarsaparilla, and before I had finished one bottle I laid the crutches aside. After taking two bottles the eczema had left me and I was almost entirely free from the effects of a swollen neck. I know that it was Hood's Sarsaparilla that cured me and I think it cannot

Hood's Sarsaparilla
be recommended too highly. I cannot praise it enough for what it has done for me. Although 22 years old, I feel young again." Mrs. P. P. Simmons, East Springfield, Ohio.

Hood's Pills are hand made, and perfect in proportion and appearance. 50c per box.

Per cent of attendance 96.5

An Important Office.

To properly fill its office and functions, it is important that the blood be pure. When it is in such a condition, the body is almost certain to be healthy. A complaint at this time is catarrh in some of its various forms. A slight cold develops the disease in the head. Droppings of corruption passing into the lungs bring on consumption. The only way to cure this disease is to purify the blood. The most obstinate cases of catarrh yield to the medical powers of Hood's Sarsaparilla as if by magic, simply because it reaches the seat of the disease, and by purifying and vitalizing the blood, removes the cause. Not only does Hood's Sarsaparilla do this but it gives renewed vigor to the whole system, making it possible for good health to reign supreme.
