get all the benefits of a mild and pleasant
laxative and tonic that purifies the blood
and strengthens the whole system. And
more than this: SIMMONS LIVER REGUL-

good condition you find yourself free from
Malaria, Biliousness, Indigestion, Sick-
Headache and Constipation, and rid of
that worn out and debilitated feeling.
These are all caused by a sluggish Liver.
Good digestion and freedom from stomach
troubles will only be had when the liver
is properly at work. If troubled with any
of these complaints, try SIMMONS LIVER

THE POLK COUNTY PRESS.

From the Dallas Observer.

A few more cases of scarlet fever
are reported in town.

Mr. Walter Williams is now
studying dentistry with Dr. M.
Hayter.

Nine marriage licenses were
granted in Polk county during the
month.

Mr. W. C. Wills, of Prineville
was calling on Dallas friends dur-
ing the week.

Dallas Camp, Woodmen of the
World, is prospering. Seven new
members were initiated Wednesday
night.

Several Dallas young people at-
tended the social dance at Inde-
pendence last night and report a
pleasant time.

Mr. J. C. Adams has just returned
from a few weeks' visit to Rit-
zville, Wash., and reports business
pretty slow in that country. Mr.
Adams says he thinks a whole lot
more of the Willamette Valley, and
less of that country.

Thanksgiving Day was appropri-
ately observed in Dallas. Exercises
were conducted at the Presby-
terian church by the pastor, Rev.
Geo. Whiteman. A public dinner
was given by the women of the
Christian church, and at the M. E.

Gold Output in Oregon.

No accurate data can be had
with which to solve the question as
to the annual gold output of the
state of Oregon. From the best
data obtainable, however, it ap-
proximates \$2,000,000. The diffi-
culty in reaching a conclusion
arises from the fact that the gold is
shipped out to different parts of
the country, and by different chan-
nels. Much of it goes by express
and some by mail. No data is to
be had from which to ascertain the
amount shipped through the post-
office. Again, much of the gold
product of the state goes to the
Shelby Smelting Company, at San
Francisco, whence it ultimately
reaches the mint and is credited to
California. About \$1,000,000 is
annually produced in Southern Or-
egon. About \$160,000 is annually
sold to the bank and merchants at
Grant's Pass.—Oregon Mining
Journal.

The Discovery Saved His Life.

Mr. G. Caillouette, druggist, Beav-
ersville, Ill., says: "To Dr. King's
New Discovery I owe my life. Was
taken with LaGrippe and tried all
the physicians for miles about, but
of no avail and was given up and
told I could not live. Having Dr.
King's New Discovery in my store I
sent for a bottle and began its use
and from the first dose began to get
better, and after using three bottles
was up and about again. It is worth
its weight in gold. We won't keep
store or house without it." Get a
free trial at any Drug Store.

One Gives Relief.

It is so easy to be mistaken about
indigestion, and think there is some
other trouble. The cure is Ripians

A Remarkable Record.

We quote from the Oregonian:
A Japanese paper states that the
villagers of Hanke, in the prefect-
ure of Koehi, have been "honored"
with the sum of 100 yen by the im-
perial household department, for
their unusually good conduct as a
body. Their record is a long one.
For over two hundred years, says
the journal in question, perfect
friendliness has reigned among
them, neither quarrels nor law-
suits have occurred. No crime of
any kind has been committed; tax-
es have been paid before the expi-
ration of the appointed term, and
whenever calamities have over-
taken them, the villagers have
helped each other and have not
troubled the authorities. The vil-
lage contains 80 houses and be-
tween 400 and 500 inhabitants.
None of the vices practiced in
Christian communities are known
in Hanke, and the missionaries
ought to stay away, and let this
Oriental Arcadia alone.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know

that Castoria is a pure vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that the prescription of the famous Dr. Samuel Pitcher, that it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Dr. H. Pitcher* is on every wrapper.

Palpitation of the Heart

Shortness of Breath, Swelling
of Legs and Feet.

"For about four years I was trou-
bled with palpitation of the heart,
shortness of breath and swelling of
the legs and feet. At times I would
faint. I was treated by the best phy-
sicians in Savannah, Ga., with no
relief. I then tried various Springs
without benefit. Finally, I tried

Dr. Miles' Heart Cure

also his Nerve and Liver Pills. After
beginning to take them I felt better. I
continued taking them and I am now
in better health than for many years.
Since my recovery I have gained fifty
pounds in weight. I hope this state-
ment may be of value to some poor
sufferer."
