### Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & Co., Toledo, O. ## EIGHT POUNDS!

Eight pounds of love and laughter, of smiles and sunshine or—? Many a mother can fill up the blank out of her experience of puny, wailing children, whose coming brought no gladness to the home.

Women who have used Dr. Pierce's Favorite Prescription as a pre-natal preparation know that it makes all the difference between a happy, healthy motherhood, and a motherhood of murmuring and misery. And they know also, that happy, healthy mothers have happy, healthy children. "Favorite Prescription" strengthens the whole body for the strain of motherhood. It practically does away with the pains of childbirth, gives the mother abundant vitality and enables her to nurse and nourish a healthy child.

The "Favorite Prescription" contains no alcohol, neither opium, cocaine, chloral nor any other narcotic.

"I am mother of six children," writes Mrs. C. A. Briggs, of Millwood, Douglas Co., Oregon, "and always took three or four bottles of 'Favorite Prescription' before confinement and never suffered any to speak of; had no after pains; my babies were large—they all weighed more than eight pounds, and I am not a large woman; weigh about 125 pounds. I have had some stomach trouble, but a few doses of 'Golden Medical Discovery' would set me all right. I am hardly ever without your medicines. They are all the medicine one needs, if taken in time, to keep one in perfect health."

"I feel that I owe my little boy's life to Dr. Pierce's Golden Medical Discovery, as he had convulsions, and everything he ate would bring them on. I commenced to give him the 'Golden Medical Discovery' in ten drop doses three times a day. Now he is just as healthy a child as can be found and he grows like a weed."

Dr. Pierce's Pleasant Pellets are the best laxative for women.

J. M. Withrow began threshing at Mr. Hoag's Monday.

Mrs. O. Buchanan is spending a week with her parents at Wren.

Mrs. S. Scanlon, son and daughter, of Portland, are visiting Mrs. Scanlon's parents, Mr. and Mrs. T. B. Williams, at this place.

J. O. Staats has one of his eyes done up in plaster because the brake bar slipped out of the notch and struck him on the cheek.
