Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

WALTERS HOSFORD, Adm'r of the estate of E. F. Hosford, deceased.

The bather sometimes finds the sand soft and yielding to his feet. It does not trouble him and he goes on until presently he sinks to his knees and discovers to his horror that he has to fight for his life in a quicksand.

Disease is much like the quicksand. The first symptoms of stomach trouble do not cause anxiety. But when the body grows weak through lack of nourishment and disease of the stomach breeds disease of heart, lungs, liver or kidneys, the sufferer realizes his danger and seeks for medicinal aid.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It cures diseases of heart, lungs, liver, kidneys, etc., when these diseases have their origin in disease of the stomach and its allied organs.

Thomas A. Swartz, of Sub-station C, Columbus, Ohio, Box 104, writes: "I was taken with severe headache, then cramps in the stomach and my food would not digest, then kidney and liver trouble, and my back got weak so I could scarcely get around. At last I had all the complaints at once, and the more I doctored the worse I got until six years passed. I had become so poorly I could only walk in the house by the aid of a chair, and I got so thin I had given up to die. Then a neighbor said, 'Take Dr. Pierce's Golden Medical Discovery and make a new man out of yourself.' The first bottle helped me so I thought I would get another, and after I had taken eight bottles, in about six weeks, I was weighed and found I had gained twenty-seven (27) pounds. I have done more hard work in the past eleven months than I did in two years' store, and I am as stout and healthy to-day."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
