

A Mother's Plain Words

"I suppose you will be astonished when I tell you that six years ago I was in a most dangerous condition with bronchitis and lung trouble, because you can see how well and strong I am now. The attack at that time caused terrible pain in my chest and lungs. I could hardly move, and to stoop caused intense suffering. Someone advised Acker's English Remedy, and I thought I would try it, although I had little faith in it. The first bottle gave great relief, and the second bottle made me the healthy woman I am today. My husband's lungs are weak at 60, and he cured himself with the same grand old remedy. My boy and girl have both been saved by it from death by croup. I know this is so, for when they were attacked in the night I had a bottle in the closet, and by acting quickly that fatal malady was easily overcome. We always give it to the children when they have a cough or cold, and we would not be without it for anything. My sister will tell you also, if you ask her, that it is a medicine that can always be depended upon for all the troubles of the breathing organs. I tell all our neighbors about Acker's English Remedy whenever I get a chance, and there are plenty of people around Mechanicsville, N. Y., where I live, who would no more think of going to bed at night without a bottle of it in the house than they would of leaving their doors wide open. As I look at it, parents are criminally responsible when they allow their children to die under their very eyes with croup, because here is a certain remedy that will conquer the terrible monster every time."

(Signed) Mrs. FLOYD FOWLER.

HOP TICKETS

The Enterprise Makes a Big Cut Owing to Unscrupulous and Unfair Competition.

The ENTERPRISE in starting the season on printing hop tickets made its old customers, who have already placed orders to the amount of some 30,000 hop checks, a rate that has always been adhered to by the two offices here and elsewhere, of \$1 for unnumbered tickets and \$1.25 for numbered. But owing to some reason, either lack of business or ignorance, an underhanded move has been made to cut the price to \$1 for

numbered tickets and 75 cents for unnumbered.

Now, as is always the case with the ENTERPRISE we go them one better and make the price of 70 cents for unnumbered and 95 cents for numbered.

All orders now placed get the benefit of the new rate. No difference shown our customers.

Eruptions, cuts, burns, scalds and sores of all kinds quickly healed by DeWitt's Witch Hazel Salve. Certain cure for piles. Beware of counterfeits. Be sure you get the original—DeWitt's. A. S. Locke.

In cases of cough or croup give the little one One Minute Cough Cure. Then rest easy and have no fear. The child will be all right in a little while. It never fails. Pleasant to take, always safe, sure and almost instantaneous in effect. A. S. Locke.
