# A Ticket With Each Purchase.

You are just losing a great big chance if you do not make your purchases of us and get the benefit of all your money will buy, besides getting that which might pay for all your purchases.

There is just no use talking, but if we get much more goods into our store we will just have to begin and put shelves onto the ceiling. The place is now crowded full—no room for anything more.

Pleasant Anticipation.

This is what strikes a person who gets a box of our choice Bon Bons the second time. We keep a complete line of the very finest chocolates, also taffies.

Our Taffy.

This is something out of the usual. It is to your interest, as well as ours, when we know that it is clean and made of pure goods only. This is made at Salem especially for us, and is the very fine made. No cheap ingredients put in.

cheapen the cost, but all fine taffy made of good goods only, and the price we sell it at is just as cheap as at any other store where cheaper goods are probably sold.

Besides plain taffy we have the finest peanut taffy ever brought to town. It is just simply nothing but peanuts and good sugar. We would be pleased to have you try this, because it is so very fine.

**CHOCOLATE BON BONS.**

We are still the agents for Lowney's goods, which are without doubt the very finest box goods ever put on the market. These goods we keep in a number of different sizes of boxes as follows:  
Ribbon Box..... 50c

- Cream Chocolates..... 30c
- Chocolate Almonds..... 15c
- Assorted Nuts..... 15c
- Chocolates, Opera..... 20c
- Pearl Chocolates..... 10c
- Ice Cream Drops..... 10c
- Lily Chocolates..... 10c

Our Peanuts.

Probably you have noticed the quality of the peanuts we use. If you have you see how much larger and finer than those generally used. There is a reason for all things and it is no exception with the peanuts. When peanuts are all about one size, they roast better, come out of the roaster all roasted about the same; not some burned and others raw, but all a beautiful brown color, which just makes you want them as soon as you see them.

Our new Fountain.

This is something very neat and nice, just been added, too. While our room is really too small to attend to this trade in the proper shape, this does not in any way take from the good quality of our soda, which we claim is as good as the best—at least that's what those who use it say. We can also furnish you a nice ice cream soda, with fruit flavoring, just the same as you get in the very best appointed places in Portland. There is no discount on our ice cream. It's made of pure cream, and all you have to do is to try it to be convinced. Ice cream served separate.

**The Fruit Season.**

It is now getting rather late for oranges and bananas, but still we shall have them as long as they can be secured.

Lemons are now very fine and we can serve you at all times. We expect bananas and orange this week, also some very fine peaches and Bartlett pears. They are still a little high, but we are promised very nice goods by our jobbers.

**Your Winter Reading Matter.**

You may think that it is a little early to be talking about winter, but nevertheless you will be surprised how very short a time it is until the winter rains will compel you to stay at home of an evening, and then you will be interested in our magazine assortment. There is a number of reasons why it is to your interest to buy reading matter of us. In the first place when you pay us for a magazine you get it all trimmed up nice, which you do not when you get it by mail or from some other dealer. Too, if you order your subscription to come by mail through us and there is a mistake we are right here to make it good. If you order of a traveling agent and it doesn't come, how about it? Well, you are sure of one thing—he has your money. It will pay you to see us every time before subscribing for any magazine whatsoever.

**Prof. Hawley Injured.**

Prof. W. C. Hawley met with a mishap on Monday, at the home

of his father-in-law, John Geisendorfer, four miles east of Albany. Prof. Hawley was on top of a wagon engaged in loading baled hay, using a hook, which in some manner slipped, causing him to fall heavily on one of the wagon wheels. An examination revealed the fact that the fall caused a

partial fracture of two ribs on his right side. The injury was attended to by a physician and it is hoped the professor will soon recover from the effects of his accident.—Salem Statesman.

Mrs. S. H. Allport, Johnstown, Pa., says: "Our little girl almost strangled to death with croup. The doctors said she couldn't live, but she was instantly relieved by One Minute Cough Cure. A. S. Locke."
