Buena Vista has a grievance, possible it is her own fault, for she has been silent while other towns have been loud in their demands and persuasions. The proposition, simply stated is this: In beauty of location, healthfulness of climate and advantages of many kinds, Buena Vista cannot be excelled. Then why do eastern home-seekers avoid us? We have houses and land for sale cheap, and newcomers cannot afford to overlook this section of the Willamette while seeking for purchasable property.

Denver O. Edmonds returned to Wells Sunday, after being engaged for several days at wood cutting, by H. L. Hall.

## HOUSEWORK

Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menses, leucorrhoea and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting fatter than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I do not think of lying down through the day. Mrs. RICHARD JONES.

Mr. Hawkins and Mr. Jones were the prominent speakers of the evening. Mr. Jones entertaining the audience with a three-fourth hour speech covering the principal planks in the republican platform. Among the several subjects on which he spoke none were more ably handled than the much mooted question of the Philippine Islands showing that it was clearly our duty to pursue our present policy.
