**The Rivals.**

Our friends at Monmouth in the Normal school have been practicing for weeks, under the direct supervision of Miss Tuttle, on Sheridan's great play, "The Rivals." They are going to put it on the Normal stage on Saturday, June 14th at 8 p. m. The players will be costumed in the eighteenth century dress and everything is being done to make this one of the greatest dramatic events ever given in Polk county.

This old and delightful play has been the pet of play goers for over a hundred years, and is as full of freshness and joy as it ever was. The greatest actors and actresses have made hits Sir Lucius O'Trigger and Mistress Malaprop, with her "nice derangement of epitaphs." If you want to enjoy a happy evening, long to be remembered, be present at the Normal chapel at the above named time. See posters for further information.

**Card of Thanks.**

The G. A. R. and W. R. C. wish to extend thanks to those who so kindly assisted in the Memorial and Decoration Day exercises. We desire especially to thank the children for their presence and the part they took in the exercises.

**Martinique Flood of Fire.**

"Martinique Flood of Fire and Burning Rain" is the title of a book just being published by a well-known Chicago publishing company.

The scenes are described by eyewitnesses of the great Martinique disaster. The book will give a complete account of the whole affair, accompanied with photographic views of the eruption. It also gives an account of all the principal earthquakes and eruptions since the destruction of Pompeii. All up-to-date people will have this book.

Miss Amy Kelly is the company's representative agent for Independence.

**Deafness Cannot be Cured**

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHERRY & Co., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

**MIXED TICKET ELECTED.**

Chamberlain Walks Away With County by 130 Votes.

**JONES AND HAWKINS REPRESENTATIVES**

Loughary, Clerk; Ford, Sheriff; Dalton, Treasurer; Myers, Assessor; Etc.

Monday was election day, and the problem has been partially solved such general scratching of ballots finds hardly a parallel in the history of the county. From a usual safe republican majority of 50 Independence turns to a majority of 31 for the democratic nominee for governor. Aside from the state and congressional ticket little attention was paid to political affiliation by the voter.

By wire yesterday morning the following majorities was received from Dallas on the state and county ticket, the returns being all in, but the official count not yet being made: Chamberlain, dem., 130; Bean, rep., 126; Dunbar, rep., 145; Moore, rep., 242; Wann, dem., 51; Raley, dem., 242; Whitney, rep., 89; Tongue, rep., 236; Geer, rep., 289; Jones, rep., 165; Hawkins, rep., 253; Riggs, dem., 396; Ford, dem., 32; Loughary, rep., 50; Dalton, dem., 459; Myers, dem., 219.

Chronic bronchial troubles and summer coughs can be quickly relieved and cured by Foley's Honey and Tar. A. S. Locke.
