

Personal Mention.

Dr. Darrin is still holding forth at the Willamette Hotel and making new cures daily.

Mr. Harry Percy writes: "I am so pleased with Dr. Darrin's treatment for deafness that I wish all to know of my experience. For some time I have been deaf, until it became so troublesome I could not attend to my vocation as a musician. Dr. Darrin cured me with electricity and a light operation, in 20 minutes. Refer to me at Miller's Commercial St., Salem."

Mr. C. R. Durfee, of Shaw, Or., was in town May 22nd, and reported his cure of almost total deafness by Dr. Darrin is nearly complete. He can hear the tick of a watch, and feels very sanguine of a complete cure. His daughter, Miss Nettie Durfee, has had no recurrence of her deafness, and her granulated eyes are fast recovering. She was cured of deafness by Dr. Darrin, April 28th.

Mr. Thomas James, living three miles out of Salem, visited Dr. Darrin May 23d, and says he can hear much better after three treatments.

Mrs. Al Hudson, formerly of La Grande, Oregon, now residing at 269 Salmon street, Portland; paralysis of one side, and diseases peculiar to her sex cured nine years ago by Dr. Darrin.

Mrs. Abbie Wareham, Montavilla, Or., epilepsy 26 years, cured by electricity and medicine ten years ago, and never had a return of the symptoms. Dr. Darrin's terms for treatment are

now \$5 a week, or in that proportion of time, as the case may require, except in special cases. The poor treated free, except medicine.—Salem Statesman.

Messrs. Irvine and Moran are again elected justice of peace and constable respectively. They have already served eight years and are now elected for two years more. There are not many that can claim a ten years' service in an office by being elected every two years. Their majorities increase every time they run. They are certainly the right men in the right place.

Inte resting to Asthma Sufferers.

Daniel Bante of Otteville, Iowa writes, "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar which gave me immediate relief and I will never be without it in my house.
