Ten Years in Bed.

R. A. Gray, J. P. Oakville, Ind., writes, "For ten years I was confined to my bed with disease of my kidneys. It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until Foley's Kidney Cure was recommended to me. It has been a Godsend to me." Sold by A. S. Locke.

A telephone message from Portland at noon today (Thursday) states that Furnish is 144 votes ahead of Chamberlain, with two counties to hear from.

The public school gave an entertainment at the opera house last Thursday evening of high merit. Most of the program was made up of selections from the younger students, who executed their parts in a most commendable manner.

A. J. Hunsaker, of Yamhill county, was in the city last week looking after the cause of prohibition, of which party he was the governor standard bearer. He did not speak, but renewed acquaintance with old friends, of whom he has many here.

Miss Margaret Macaulay, the successful U. S. army nurse who originally went from Independence, and who recently returned from Manila, is now in San Francisco. She writes her sister, Mrs. Nellie Graves, that a good hospital position has been offered her in either Cuba or the Hawaiian Islands, but she has not decided which position to accept.

Happy Time in Old Town.

"We felt very happy," writes R. N. Beville, Old Town, Va., "when Bucklen's Arnica Salve wholly cured our daughter of a bad case of scald head."

BUENA VISTA

Memorial day did not pass unobserved in Buena Vista. A large number of people visited the cemetery during the day and scattered blossoms over the graves of the departed. This custom is one that should never be cast

aside, for it is the last and only mark of respect that one can pay to those who were dear to us in life. Let their lowly beds be strewn, annually at least with flowers of remembrance.

Charles Hall, of Portland, was in this burg Friday. He spent the night at the home of his brother-in-law, Miles Porterfield.

Election day passed uneventfully in Buena, though interest in the outcome was not lacking. There were no fights and no betting, features that make election day in cities a most disgusting affair.

Miss Della Pagenkopf, who is teaching at Pelee, was among those from abroad in attendance at the picnic Saturday. She will return to Buena, shortly, to spend at least a part of the summer.

Rev. D. V. Poling, who recently attended the Congregational convention held at this place, was so favorably impressed with our country that he returned last Tuesday evening and located a claim in this vicinity.—Ione Post.

Thursday's Salem Journal; Delph, Kelly, a 20-year-old son of Mr. and Mrs. J. D. Kelly, of Bethel, Polk county, died Tuesday at 3 p. m. after an illness of seven months from pleurisy. The funeral was held from the residence at 3 p. m. today, services at the cemetery, conducted by Rev. I. M. Mulkey. Mr. and Mrs. Kelly are pioneers of Oregon and this loss of their son will be sincerely mourned by many besides themselves.

A WOMAN'S RISK

As a trapeze performer is greater than a man's. She must have a man's courage and a man's muscle to succeed. But she must also work under conditions of which a man knows nothing. Many an accident to women acrobats must

be attributed to the sudden weakness to which all women are subject at certain times.

Dr. Pierce's Favorite Prescription heals the womanly diseases which cause weakness, dries, weakens, drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"With pleasure I write to-day in praise of Dr. Pierce and his medicines," says Mrs. Mary Conway, of Appleton, Lawrence Co., Tenn. "I was troubled with female disease; the back of my head hurt me so I could not lie in bed and I would have to sit up, and then I would have such pains from my waist down I could scarcely raise up. My feet and hands would feel almost like ice. Since taking Dr. Pierce's Favorite Prescription I can sleep well all night. Could hardly drag around before I took your medicine, and now can do my housework and help my husband in the field. Words cannot express the thanks I owe to Dr. Pierce."

Weak and sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Common Sense Medical Adviser, containing more than a thousand large pages, is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for the cloth-bound volume, or only 21 stamps for the book in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.

Filthy Temples In India.

Sacred cows often defile Indian temples, but worse yet is a body that's polluted by constipation. Don't permit it. Cleanse your system with Dr. King's New Life Pills and avoid untold misery. They give lively livers, active bowels, good digestion, fine appetite. Only 25c at Kirkland Drug Co.

Many people from here attended the picnic at Ridder's grove in spite of the inclemency of the weather.
