

## REV. DR. DOANE.

Rev. N. Doane D. D., Dean of the Theological School of the Portland University Celebrated His Colden Wedding Last September.

Salem Journal.

This worthy man has been at the head of the Methodist church in the northwest for over forty years. He had a double reason to be congratulated on this occasion as he was totally deaf for years, and in spite of his advanced age, his hearing was restored last April by Dr. Darrin, now located at the Willamette hotel, Salem, until July 6. No one will attempt to question the reverend gentleman's word, as his unblemished record is well known. He tells his story below in his own words.

University Park, Portland, Oregon, April 26, 1899. To whom it may concern and encourage, to friends who have suffered like myself, the loss of hearing. On April 24th I called on Dr. Darrin, whom I believe to be a skilled aurist and physician, to restore my hearing. He applied his remedies and electricity to one ear and cured the deafness in a few minutes. Then he turned his attention to the other ear, which did not seem to yield so readily. For this ear the Doctor gave me medicines to use at home, which I am now using. I think it is the duty of all who are afflicted to have their hearing restored if possible, and I know no one that I think more skilled than Dr. Darrin.

### What Further Treatment Did For Rev. Dr. Doane.

To the Editor: Some two weeks ago or more I said something of re-

gaining my hearing under the treatment of Dr. Darrin, of which I had suffered for several years. On the first application the deafness of one ear (the left) was remedied. The difficulty with the other was more serious. I applied the medicine faithfully and went again to the Doctor who succeeded entirely in restoring the lost sense of hearing, so that when I went out Third street, Portland, it seemed to be the noisiest city I was ever in. My hearing still remains distinct, in both ears equally good.

### Mr. Darnell's Experience With Dr. Darrin.

To the Editor: For two years prior to going under Dr. Darrin's electrical treatment I was afflicted with heart trouble, sour stomach, bloating and pains. Dr. Darrin has cured me. Refer anyone to me at my home in Medford, or by letter to post office box 226. I most earnestly commend Dr. Darrin as a skillful physician.
