

RECITAL.

Miss Torbet and Pupils Gives Splendid Entertainment.

Saturday evening a large gathering of friends and interested spectators greeted Miss Torbet and her pupils in the musical recital. The platform was arranged in good taste. It represented a studio. Rev. E. J. Thompson announced the numbers on the program.

Miss Torbet's class consisted of members from this city, Monmouth, Parker, and various points and were nearly all represented on the program.

Prof. Torbet, of Albany college, was present, and in a few minutes delivered a most interesting address on "Brother Jonathan Needs You." It was a good thing for the young men to take home and ponder over.

Individual comment is as unnecessary as it would be superfluous. The numbers were well rendered. Such affairs commend themselves to thinking people who desire to see self improvement in what ever manner it may manifest itself. May Independence be favored with many other similar entertainments.

Commencement At the State Normal School.

The commencement Exercises at the Normal school promise to be unusually interesting this year. Many old graduates, both of the college and of the Normal school, expect to return to revisit once familiar scenes and renew old time acquaintances.

The presentation of the fine portrait of Pres. T. F. Campbell, painted by E. W. Moore, of Portland marks the beginning of a movement to honor the pioneers of education who so nobly sacrificed in order to lay the foundations of an educational institution at Monmouth.

The baccalaureate sermon will be preached Sunday, the 15th at 11 a. m. Rev. Dr. Elliott, of the First Unitarian church, Salem.

The class day exercises will be at 2 o'clock, Monday, the 16th and the graduating exercises at 10 o'clock Wednesday, the 18th.

Monday evening will be students reunion. Tuesday evening the entertainment by the literary societies, and Wednesday evening the alumni reunion.

The presentation of the portrait of Pres. T. F. Campbell will be by Judge Geo. H. Burnett and the response by Justice Chas. E. Wolverton, both old graduates of the college. The presentation ceremony will probably be Wednesday evening, at the alumni reunion.

Amongst those who will furnish the music for the exercises will be Miss Hattie Parrish Hinges, of Salem, who is always a favorite.

All are cordially invited to attend the exercises of the entire week.

Interesting to Asthma Sufferers.

Daniel Bante of Otteville, Iowa writes, "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all."
