

Millinery at Cost!

The ladies of Polk County have now an opportunity to get Millinery

At Cost

The reason for the great cut in prices is that I want to close out the stock before going east. If you want a bargain, now is your time.

Fay Richardson,
Monmouth, Oregon.

E. D. RESSLER.

Elected President of Monmouth State Normal School.

Professor E. D. Ressler, of Eugene, president of the State Normal school at a meeting of the entire Board of Regents held on Tuesday. Miss Grace Higgins, of Boston, was elected to the chair of music and drawing, and the other members of the faculty retained. The increased attendance and the efficiency of the work for the past year was a matter of satisfaction to the board.

Professor E. D. Ressler, of Eugene was assistant professor in the department of education at the State University. He received his A. B. degree from Otterbein College and his A. M. from the Ohio State University. From 1897 to 1901 he was superintendent of the Eugene public schools, in which he built up a splendid curriculum. Last June he was elected as assistant professor in the department of education at the State University, and his work in this line has been the subject of much favorable comment. He had handed in his resignation, to take effect October 1, with the idea of going east to pursue post-graduate studies.

Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

Sold by Druggists, 75c.
Hall's Family Pills are the best.

Married in Brownsville.

At the home of Mrs. N. R. Baird, in Brownsville, on Wednesday evening, June 4, was held one of the handsomest weddings of the season. Her daughter Golda Ethel Moyer, was united in marriage to Prof. W. J. Hooker, a

son of Mr. and Mrs. Ira Hooker, of Airlie, Polk county, and principal of the Brownsville high school. The parlors and dining room were beautifully decorated with evergreen, ivy and cream roses. The bride was arrayed in cream pongee silk, silk illusion veil and a wreath of orange blossoms. The bridesmaids were dressed in pink silk organdy and chiffon. The best men were Prof. O. B. Long and Mr. James Thompson. The bridesmaids were the bride's cousin Miss Fay Cooley, and Miss Grace Huff, of Corvallis. Many handsome and valuable presents were received by the bride. The guests were only the immediate friends and relatives of the contracting parties. Among those present were: Rev. J. E. Snyder, the officiating clergyman and wife; Mayor Cooley and wife, J. W. Stillwell and wife, Mrs. Clara Guy and daughter Hattie, of Lebanon, A. J. Templeton and wife, Ed Sawyer and wife, Mrs. Iva Hooker, of Eugene and other friends and near relatives of the bride.—Observer. W. J. Hooker is a former resident of Lewisville and for several years was the ENTERPRISE's correspondent there. We wish them that degree of success and happiness which should await an earnest, ambitious young couple.

Happy Time in Old Town.

"We felt very happy," writes R. N. Beville, Old Town, Va., "when Bucklen's Arnica Salve wholly cured our daughter of a bad case of scald head." It delights all who use it for Cuts, Corns, Burns, Bruises, Bolls, Ulcers, Eruptions, Infallible for Piles. Only 25c at Kirkland Drug Co.

Timber Land, Act June 3, 1878.— Notice for Publication.

United States Land Office, Oregon City, Ore., June 10, 1902. Notice is hereby given that in compliance with the provisions of the act of congress of June 3, 1878, entitled "An act for the sale of timber lands in the states of California, Oregon, Nevada, and Washington Territory," as extended to all the public land states by act of August 4, 1892, Sadie Smith, of Independence, county of Polk, state of Oregon, has this day filed in this office her sworn statement No. 375, for the purchase of the N E 1/4 of Section No. 26 in Township No. 9 S, Range No. 7 W, and will offer proof to show that the land sought is more valuable for its timber or stone than for agricultural purposes, and to establish her claim to said land before the register and receiver of this office at Oregon City, Oregon, on Saturday, the 30th day of August, 1902.

She names as witnesses: H. B. Kelso, of Independence, Oregon; L. L. Smith, of Independence, Oregon; Vida Kelso, of Independence, Oregon; Riley Burbank, of Peedee, Oregon.

Any and all persons claiming adversely the above-described lands are requested to file their claims in this office on or before said 30th day of August 1902.

CHAS. B. MOORES, Register.

First pub. June 1902.

Miss Bradley, of Parker, was in the city Tuesday afternoon.

Chief Brisbo A Happy Man

His Wife Was Totally Blind But Is Now Well—Many Physicians Tried to Cure Her But Dr. Darrin, Now Located at the Willamette Hotel, is the Man Who Succeeded in the End.

The Pendleton Tribune says: "Chief of Police Brisbo, of the Umatilla Reservation, is a happy man. For five weeks Mrs. Brisbo has been totally blind. A white scum gathered over the eyes, caused from inflammation and her case seemed hopeless. As a last resort he placed the case in the hands of Dr. Darrin and as a result Mrs. Brisbo is able to attend to her household duties."

Upon being interviewed by a Tribune representative, Mr. Brisbo said in part: "No man has more cause for rejoicing than I. After securing treatment for Mrs. Brisbo from the doctor at the agency, who gave the case up as hopeless, I consulted a leading physician of Pendleton. After two days treatment, he advised me to take Mrs. Brisbo to Portland, as he could not do anything that would benefit the patient's health."

"It was while considering the matter of following his advice that Postmaster Johnson who had been cured of inflamed eyes suggested I try Dr. Darrin. 'I did so, and after one week's treatment Mrs. Brisbo is as well as ever. She can do her household work with ease and her eyes do not trouble her a bit.'

"To say that I am delighted would be too tame an expression to illustrate the true state of my feeling. I have great faith in Dr. Darrin, and while I am always reticent about recommending any thing in a public way, I feel it my duty to my fellow men to make this statement."

From Polk County.

How Young Mr. Byers Recovered Hearing

Salem Journal.

Mr. A. J. Byers, of Independence, accompanied by his son, A. G. Byers, called at the Journal office this afternoon and made a statement relative to the condition of the younger man. He had been deaf from his infancy, and later the difficulty gradually increased to such an extent that he was almost totally deaf. Two months ago the young man came to Dr. Darrin, at Hotel Willamette for treatment and today called at the Journal office to state that he could hear as well as anybody. The reporter talked to him in a low tone of voice and was convinced that his hearing was as good as the best. This remarkable cure of necessity makes the young man feel happy, and his father is more than pleased. Their purpose in coming to the Journal office was to make a statement to the public concerning the wonderful cure.

I. A. G. Byers, being duly sworn, depose and say that the above statement written by the Journal reporter relative to my being healed of deafness by Dr. Darrin is absolutely true.

A. G. BYERS.
Subscribed and sworn to before me, E. Hofer, a notary public, in Salem Oregon, this 10th day of June, 1902.
(Seal) E. HOFER,
Notary Public for Oregon.

An Injunction Suit Filed.

Says the Dallas correspondent to the evening Telegram:

An injunction suit to carry with it a question of damages has been commenced by the Rickreall Flouring Mill Company, of Dixie, of this county, against the Thurston Saw Mill

Company, of Dallas to prevent the Thurston company from flooding logs in low water.

The Rickreall company's mills are built on the LaCreole creek four miles below Dallas, and use the water of the creek as a partial power for grinding. The same stream is used in the mountains by the Thurston company for flooding logs.

There has been considerable litigation heretofore on the same question, and perpetual restrictions have been placed on the Thurston company, which the Rickreall company will claim have been violated.

Interesting to Asthma Sufferers.

Daniel Bante of Otteville, Iowa writes, "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all."

WOOL POOL IS FORMED.

Marion and Polk County Sheep Men Organize For Sale of Fleeces.

Salem Statesman.

The wool-growers of Marion and Polk counties met in the Waldo Hills on Friday and formed a pool for the sale of their wool. The meeting was largely attended and 55,000 fleeces were placed in the pools and it is expected this will be increased in the next few days to 100,000 fleeces.

W. H. Downing, A. T. Waln, and Chas. F. Hein were appointed a sales committee, and this committee has advertised for bids for the pool. Before the sale is made others can join the pool and increase the holdings.

Valley wool is now quoted at 14 to 14½ cents, but a large pool of Eastern Oregon wool was recently sold at 13½ cents, and the valley growers think they ought to have a much higher price, as their wool is much better, hence the pool and organized effort.

Last year the Waldo Hills farmers pooled their grain, and succeeded in securing much better prices for their grain than their neighbors, and think that a pool of wool will have equally good results.

Warning

If you've kidney or bladder trouble and do not use Foley's Kidney Cure, you have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. Sold by A. S. Locke.

Dallas Notes.

The Woodman of the World Sunday unveiled at Dallas monuments to the late Neighbors Boyd and Hutchinson says the Dallas correspondent of the Telegram. The camp from Independence was present, also the Monmouth band. The drill team of Dallas appeared for the first time in their new suits. The beautiful and impressive ceremonies were carried out without a hitch.

Dallas college commencement began here Sunday. The baccalaureate sermon was preached at 11 a. m. by President C. C. Poling. At night the annual sermon before

the Y. M. and Y. W. C. A. was preached by Rev. D. V. Poling, of The Dalles. Rev. Poling is a pleasing talker and a fine singer. Music was furnished by a quartet consisting of Professor D. L. Gubser, Miss Morrison, Miss Gates and Professor A. F. Bittner, with Prof. Kanter at the organ.

Emmett Casper and wife, of Portland are visiting his parents in this city. Emmett was a United States volunteer in the Philippines, where he was badly wounded. Since his return home he has been lighthouse-keeper on Destruction Island, but several months ago he accepted a position in Portland, where he now resides.

The house of Thomas Lyons, who lives four miles north of Dallas, was destroyed by fire Saturday evening. The fire originated from a defective fuse and nothing was saved. Mrs. Lyons and an infant child were in bed, but escaped.

The Sorosis Literary Society of Dallas College gave an entertainment in the college chapel last night. The chapel was decorated with evergreens and the class color red, and was filled to overflowing.

A farewell reception was given to Rev. and Mrs. Mattock last night at the home of Mr. and Mrs. Frank Stiles.

Foley's Kidney Cure makes kidneys and bladder right.
