Happy Time in Old Town.

"We felt very happy," writes R. N. Beville, Old Town, Va., "when Bucklen's Arnica Salve wholly cured our daughter of a bad case of scald head."

It delights all who use it for Cuts, Corns, Burns, Bruises, Boils, Ulcers, Eruptions, Infallible for Piles. Only 25c at Kirkland Drug Co.

From the Falls City Leader.

One of the most remarkable escapes on record took place at the Coast Range mill Saturday. Little Archie Montgomery fell into the slab chute which leads 100 feet into the gully by the mill. He shot down the chute and hurtled through the air from the end for 50 feet before lighting. Then, strange to relate, instead of being dashed to pieces, he got up and crawled back ten or twelve feet before he was picked up. Outside of a few bruises and jars he is little the worse for his experience. A heavy man would have been killed outright.

SWALLOWED POISON.

Former Monmouth Resident the Victim.

Mrs. Epley, wife of Dr. H. C. Epley, the well-known dentist, had a narrow escape from death last week as a result of mistaking a bottle of tincture of belladonna for a harmless mixture which she intended to take. Not feeling very well, she thought she would take a dose of cascara, a preparation of chittum bark, but took the wrong bottle, neither of which had a label, and the contents of both having the same color and general appearance, and before she knew it she had swallowed a sufficient quantity of the "deadly nightshade" to make her seriously ill half an hour later and to endanger her life.

As soon as she realized what had happened, her husband having gone to the city an hour before, she attempted to reach the house of a neighbor, a block away, but fell down in the street and was unable to proceed. Other neighbors saw her prostrate and rushed to her assistance, and upon learning the trouble procured the immediate attendance of two physicians, who applied antidotes and brought her through to complete recovery by last evening, without serious results, but she had a very close call, and the numerous friends of herself and husband give them hearty congratulations upon the happy escape.—Salem Exchange.

Mrs. Epley formerly resided in Monmouth, where her husband practiced dentistry.

Saturday night the Pomona ran aground on the sautiam bar and it was early Sunday morning before it could get into Corvallis. The Ruth has suspended trips on the upper river. Captain Spang thinks the Pomona can make Independence to about the first of August. It is a source of regret to the people here that the new boat which was to run to Independence during the summer was burned in the recent disastrous fire at Portland.

**Dr. Pierce's
GOLDEN
MEDICAL
DISCOVERY
Restores
LOST FLESH
AND STRENGTH**

"I was a total wreck—could not sleep or eat," writes Mr. J. C. Beers, of Berryman, Crawford Co., Mo. "For two years I tried medicine from doctors but received very little benefit. I lost flesh and strength, was not able to do a good day's work. I commenced taking Dr. Pierce's Golden Medical Discovery, and when I had taken one bottle I could sleep and my appetite was wonderfully improved. I have taken five bottles and am still improving."
The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore, accept no substitute for "Golden Medical Discovery."
