You can bank your money on our

Dining Tables

Being good values. They are the finest make and finish we ever had. The style is up with tables of higher cost made by other factories. They are made 6, 8, 10 and 12 feet in length. We have them as low in price as \$4.50.

Some people do not know that they

can get a **Lounge** made to order at our store, which will out last several common lounges and not cost any more. We make all of our upholstered work and by so doing put dollars into the pockets of every purchaser. Why? Because we make each piece upon honor. We try to see how good, not how cheap and poor, we can do our

work. Box couche for cosy corners and bed rooms are quite popular at the present time, and quite a lot of our time is occupied with special orders of this kind. We have them as low as \$4.
