

## THE DEAF HEAR.

### A Result of Twentieth Century Progress Exemplified.

Salem Statesman.

When one of the East Indian potentates had an Englishman executed because he told that monarch that water sometimes congealed in England so hard that it would bear an ox, he acted on sound principle, from his point of view. We are led to make this reference from the fact that things seemed wonderful two decades ago that are now accepted as commonplace and are easily accounted for; and processes which are now scouted and deemed chimerical and impossible, will, in another score of years, be accepted by the multitude. Not many years ago the art of hearing by electricity was unknown.

But time works wondrous changes. Now electricity as a healing art is forcing its way to the front, and even scientists acknowledge its potency. Dr. Darrin was one of the pioneers in the use of electricity as a curative agent, and has established a solid reputation as a veritable healer by this magic power.

He gives us numerous testimonials from persons well known in this vicinity whose statements over their signatures will not be discredited.

Unreasonable opposition and abusive epithets go for naught in the presence of stubborn facts.

We are not so foolish as to affirm that this gentleman can cure every case or every disease, but when such emphatic testimony as the following is given by one of our most worthy citizens, our better judgment dictates that we ought to wait before we scoff, and test before we condemn.

As a proof of Dr. Darrin's wonderful healing power, we give the case of Miss L. Stanfield, the adopted daughter of Mr. C. Snowden, 323 Mill street, one of our townsmen, who had discharging ear and deafness, to the great grief of her foster parents. They consulted the ablest physicians, who said they could

afford her no relief. Mr. Snowden, hearing of the wonderful cures made by Dr. Darrin, placed his daughter's case in the doctor's hands. By the use of medicine, combined with electricity, a cure was effected of both the troubles.

This was years ago, and her parents and friends have good reason, as time is the best test, to regard it as permanent. The following card from Mrs. Job Richards, a lady well and favorably known in Salem, speaks volumes for the doctor.

#### Mrs. Richard's Card.

To the editor: I am more than pleased with Dr. Darrin's treatment, and wish you to publish this for other's benefit. For about 20 years I have been deaf. I was cured by Dr. Darrin by his new mode of treatment, without pain or inconvenience. I reside at the corner of Shipping and Capital streets, Salem, and will answer all questions. I will add that my little girl is almost cured of discharging ears.

MRS. JOB RICHARDS.

#### Another Salem Man's Testimonial.

To the Editor: Seeing so much in your paper concerning Dr. Darrin's cures I was persuaded to try him on my daughter, who has been afflicted with a distressing discharge of the ear and partial deafness for the past four years. Under the doctor's treatment she is healed. I reside at the corner of Commercial and Mission streets, Salem, and am engineer in the Capital Brewery. Refer to me at either place.

J. D. VAN OSDOL.

We have seen numerous testimonials of other cases from the most reliable persons who have been cured by him. Dr. Darrin gives free consultation at

Willamette Hotel, Salem, until September 1, from 10 to 5, and 7 to 8 daily.

## HOUSEWORK

Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menses, leucorrhoea and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

## WINE OF CARDUI

is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glandeno, Ky., Feb. 10, 1901.

I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting fatter than I ever was before, and sleep good and eat heartily. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I do not think of lying down through the day.

Mrs. HOWARD JONES.
