The Oregon Milling & Warehouse Co. are now ready for business. The mills at Independence have been fitted up with the latest appliances so that they can handle grain efficiently and economically. A receiving hopper has been placed in the floor to obviate the necessity of lifting the sacks. This convenience will be greatly appreciated by patrons. As the company has about 10,000 bushels of old wheat on hand the products of the mills for the next three months will be made from this stock, a fact which the housewife will appreciate.

The interest in the coons at the Falls City hotel is kept up by the pranks the little animals are constantly exhibiting. One of them has been named Zip.

Notice.

I have a few registered bucks that are extra fine, also some high bred not registered. Prices according to quality.

Days of '49

Special from Monmouth

Monmouth was the scene of troublesome times last Saturday evening about nine o'clock in which Joe Rose, our Liveryman and his brother-in-law, Mr. Thresher, who works on the section, had an altercation over a load of wood. Clubs and a knife figured conspicuously. Mr. Rose was stabbed between the seventh and eight ribs but not seriously and is getting along as well as could be expected. He will be confined to the house for some time.

There have been no arrests made yet.

Threw Aside
Their Canes

Mr. and Mrs. Reuben Lee of Turner, Oregon, relate their Experience with Dr. Darrin at the Willamette Hotel, Salem.

Salem Statesman.

Marvelous But True.

There are perhaps no more prominent or better known people in Marion county than Mr. Lee and Mrs. Lee, of Turner, Or. Wherever they are known their word is accepted without question and their card published below goes far to establish Dr. Darrin's claim to successful treatment of chronic diseases.

Mr. Lee Writes As Follows.

To the Editor: Prior to coming under Dr. Darrin's medical and electrical treatment, I had been painfully afflicted with sciatic rheumatism, general debility and nervousness. I could not walk without a cane when I first consulted the doctor two months ago. My relief from all systems was rapid, and I no longer need a cane. My wife has been troubled with her lungs—having a severe cough for many years—also pains and numbness in her limbs, being obliged to use a cane. I have every confidence in Dr. Darrin and his new method of cure and most emphatically commend to the public. I reside near Turner, Or., and can be seen any time.

REUBEN LEE.

Prominent Linn County Lady Cured.

Dr. Darrin, Dear Sir: About two months ago I began your treatment for a troublesome catarrh and I am not troubled any more. This may benefit others, so use this letter if it will be of any benefit. Yours respectfully,

MRS. NETTIE DEMPSEY.

Co Salem Ladies.

Dr. Darrin has treated me for catarrh, neuralgia and rheumatism, scalp trouble, deafness, general nervous debility, female trouble and partial paralysis of neck of the bladder, with marked success. I feel that words are inadequate to express my gratitude for the great good Dr. Darrin has done me and I most heartily recommend the doctor to the afflicted.
