Grain is not turning out as well as expected, the threshers reporting 15 bushels to the acre the average yield. The recent warm wave played havoc with springs grains, causing the kernels to mature before the proper time.

The Best Fence on Earth.

Oh, yes! Oh, yes! Ye lovers of peace and prosperity, good neighbors and good stock, and the certainty of harvesting where you sow. The above blessing and many others can be enjoyed by replacing your old fencing with one of the best woven wire fence on earth.

THE PAGE FENCE

Is one of the best commercial fences on the market. It turns everything but wind and water. And the Kitzelman fence, built to fit your ground, turns chickens, pigs, bulls and horses. The only fence on the market with barb wire for selvage, top and bottom.

Dallas, to Have Stove Factory.

C. L. Hubbard, a stove contractor of Dallas, says that instead of shipping stoves to Portland in the rough as heretofore he has completed arrangements with the Pacific Cooperage Company to put a complete stove factory in Dallas. The stoves will be completed here jointed and beveled ready for steaming and bending. Mr. Hubbard is an enterprising business man of Dallas and will push this business to the front. It has already added much to the prosperity of Dallas and will in the future be one of its leading industries.
