Will Stay in Salem.

Gentlemanly Treatment of His Patients Has Made Dr. Darrin Very Popular.
Salem Statesman.

On account of many earnest personal requests from people desiring to avail themselves of the benefit of his services, Dr. Darrin has finally decided to remain in Salem two months longer. He had already extended his stay two months. This latest decision will keep the celebrated physician here during the months of September and October.

During the visit of Dr. Darrin he has made many friends by his generous and gentlemanly treatment of his patients and his constant solicitude for their welfare. He has refused none who have come to him needing his services and he has been perfectly frank in telling each one the true condition of his or her case, and just what might be expected as the result of treatment, or whether any treatment would do good.

The rooms of Dr. Darrin at the Wilamette Hotel are often crowded, and he is kept constantly busy. There are a great many people who will be glad to know that the doctor has been prevailed upon to remain two months longer.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly

HOUSEWORK

Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menses, leucorrhoea and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

WINE OF CARDUI

is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glendean, Ky., Feb. 10, 1901.
I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting fasher than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I do not think of lying down through the day.
Mrs. Richard Jones.
