### Oregon Fire Law

Much damage has from time to time been done by the setting of fires which have communicated themselves to property and destroyed it. A reading of the law of Oregon on this subject should cause a greater degree of care among sportsmen campers and all who in any way set fires in the forests or those who are clearing land.

Gov. T. T. Geer has issued the following proclamation:

"Whereas an act passed by the Legislative Assembly of the State of Oregon at its seventeenth regular session, entitled 'An Act to Protect Timber and Other Property from Fire' contains the following:

"Section 1.—If any person shall maliciously with intent to injure any other person by himself or any other person, kindle a fire on his own land or the land of any other person and by means of such fire the buildings, fences, crops or other personal property or wooded timber lands of any other person shall be destroyed or injured, he shall on conviction, be punished by a fine of not less than twenty dollar nor more than one thousand dollars, or by imprisonment in the county jail not less than three months nor more than twelve months according to the aggravation of the offense.

"Section 2.—If any person shall without malice, kindle any fire in any field, pasture, enclosure, forest, prairie or timber land not his own, without the consent of the owner and the same shall spread and do damage to any buildings, fences, crops, cordwood, bark or other personal property not his own, or to any wood or timber land not his own, he shall on conviction, be punished by a fine not less than ten dollars nor more than one hundred dollars and cost, according to the aggravation of the offense and shall stand committed until the fine and costs are paid.

"Section 3.—Any person who shall enter on the lands of another person for purpose of hunting and fishing and shall without the consent of the owner of said lands, kindle any fire thereon, shall be punished by a fine of not less than ten dollars nor more than one hundred dollars and if the fire be kindled maliciously and with the intent to injure any other person such offender shall be punished by a fine of not less than twenty dollars nor more than two hundred and fifty dollars, or by imprisonment in the county jail not less than three months nor more than twelve months.

"Section 4.—Any person or persons who shall willfully set fire to any wooded country or forest belonging to the state or the United States, or to any persons, shall be deemed guilty of a misdemeanor and upon conviction before a court of competent jurisdiction, shall be punished by a fine not exceeding

one thousand dollars, or imprisonment not exceeding one year, or by both such fine and imprisonment, provided that nothing herein contained shall apply to any other person who in good faith sets a back fire already burning.

"Section 5.—Upon any prosecution under this act, one-half of the fine imposed shall be paid to the person who first gives information thereof to the District Attorney for the district in which the offense is committed and the money shall be paid to the county treasury for the benefit of the common school fund of the county in which said fine is collected.

"Section 6.—It is hereby made the duty of the Governor of this state to issue a proclamation on the first day of July of each year, calling public attention to the provisions of this act and warning all persons against violating the same. It is also the duty of each Circuit Judge of this state to read the provisions of this act to each grand jury when charging them as to their duties.

"Now, therefore, I, T. T. Geer Governor of the State of Oregon do hereby direct the attention of the public to the crimes and misdemeanors declared in this act, with the penalties prescribed and warn all persons to abstain from violating all or any of its provisions

"Done at the capitol, at Salem Oregon, this first day of July, in the year of our Lord one thousand nine hundred and two.

T. T. GEER,  
Governor.

"By the Governor:  
"E. I. DUNBAR,  
"Secretary of State."

### A Final Announcement.

In this issue of The Journal appears an announcement that will be of vital interest to many readers. It is that of Dr. Darrin, to the effect that he will continue his stay in Salem to November 1st. After that date he expects to take an extended tour and this, date is final. Dr. Darrin has now been at the Willamette Hotel for over four months during which time he has treated patients from the surrounding country and parts of the state. Many of these are among the leading people and they cheerfully testify that he has rendered them great service. The doctor is enjoying his stay at Salem immensely, but is kept so busy that he cannot get much rest. Patients who contemplate availing themselves of his services during the remainder of his stay, should be prompt about coming in. His wonderful success here is such as has never before been achieved by a member of his profession in any community.—Salem Journal

### Happened Sunday.

Special from Buena Vista.  
At the Allie McLaughlin home, one and a half miles below Buena Vista, there was a very enjoyable event Sunday. It was a dinner party in honor of Mrs. Mary E. Colowell, of Oakland, California, who, with her son, is a guest at the home of her youth. Numerous guests were present and all engaged in a good old-fashioned visit with the guest from the Golden State. After doing ample justice to such a dinner as none but Polk county

cooks can prepare, ice cream was served to those in attendance. All who were present voted the event most delightful, and bade farewell with the hope of sometime joining in another meeting of the same sort.

The guests were: Mrs. Mary Coldwell and son, of Oakland, Cal.; Mr. and Mrs. T. B. Tetherow, Mr. and Mrs. Miles Porterfield, Mr. and Mrs. W. N. McLaughlin, Mr. and Mrs. Allie McLaughlin, Mrs. Olevia Hall, of Wells; Mrs. George McLaughlin, Grandma McLaughlin, Mrs. Sarah Baldwin, Mr. Patterson, Wright Porterfield, Bernice and Arden McDonnell, Grant McLaughlin, David Hood, Golda Rhodes, Maude and Ollie McLaughlin.

### Two Serious Accidents.

Special from Buena Vista.

Taylor Miller was the victim of a serious accident near Buena Vista Monday. Mr. Miller resides in Kings Valley, but has been in charge of the new Advance separator of the Evan Evans threshing outfit up to the time of the misfortune Saturday.

The machine was moving and Mr. Miller ran in front of the separator to secure a wrench from the tool box. He had accomplished this feat many times during his experience as a machine tender, but this time he was doomed to pay the penalty of his carelessness. The separator was passing through a gate and Mr. Miller fell, striking against the fence. There was neither time nor space in which to gain freedom from his hazardous position. One wheel of the huge separator passed over the foot of the prostrate man, crushing the member frightfully. Mr. Miller was removed to the home of Mr. Evans and Dr. O. D. Butler was hastily summoned from Independence. An examination failed to show that any bones were broken, though the foot was in a very serious condition.

The unfortunate young man was taken to his home in Kings Valley Tuesday, where he will be confined for a considerable period of time before being able to walk about. Several years ago Mr. Miller lost a portion of one hand in a mixup with a thresher.

\*\*\*\*\*

"Gabe" Locke suffers with a broken arm. He was engaged last week in hauling bundles to the Black thresher just north of Buena Vista, and in some manner fell under a loaded wagon with the result recorded above. He is resting as comfortably as could be expected.

This seems to be a season of misfortunes, two mangled fingers that had to be amputated, and a badly crushed ankle being among the harvest accidents reported from near Wells, in Benton county, during the past week.

### All Were Saved.

"For years I suffered such untold misery from Bronchitis," writes J. H. Johnston, of Broughton, Ga., "that often I was unable to work. Then, when everything else failed, I was wholly cured by Dr. King's New Discovery for Consumption. My wife suffered intensely from Asthma, till it cured her, and all our experience goes to show it is the best Croup medicine in the world." A trial will convince you it's unrivaled for Throat and Lung diseases. Guaranteed bottles 50c and \$1.00. Trial bottles free at Kirkland Drug Co
