## The Great Record

### Of Dr. Darrin is Simply a Series of Professional Triumphs.

Salem Statesman.

Chronic, acute and private diseases treated with the latest remedies known to science, the electro-magnetic treatment being a specialty. Headaches can generally be cured by rubbing the hands lightly across the forehead. The reason of this is: Friction produces electricity, and lack of electricity in the brain is the cause of nervous headaches. Therefore, when we produce electricity in this manner, we give the brain the food it is hungry for, and the pain is cured. The body needs electricity as much as it needs food. Sickness indicates that there is a lack of electricity, which, in order to restore health, must be supplied.

To such cases Dr. Darrin can restore the lost vitality of animal electricity, and promote a healthy action to the vital organs. The doctor's mode of administering electricity differs from that in general use. His long experience has demonstrated that the best results are obtained by electricity, combined with magnetism and medicines.

As a proof of the efficiency of this treatment read the cures performed years ago, which have remained permanent:

- Cured Years Ago BY Dr. Darrin.**
- J. H. Wilson, Mist. Or., piles 20 years, cured.
  - E. E. Grout, La Grande, Or., cross-eyes, cured.
  - John Savensen, Farmington, Or., deafness, cured.
  - F. W. Minchin, Dundee, Or., discharging ear, cured.
  - Rev. J. E. Coenour, Portland, Or., skin disease, cured.
  - J. E. Taylor, Pendleton, Or., stricture, cured.
  - Mrs. G. Karg, Leland, Or., sciatic rheumatism, restored.
  - A. Pool, Eagle Point, Or., heart and liver trouble, cured.
  - Mrs. A. E. Patee, Albany, Or., ovarian and womb trouble, cured.
  - Mrs. Martha Daily, Garduer, Or., salt rheum for 25 years, cured.
  - J. S. Jennings, Sellwood, Or., eczema or skin disease, 15 years, cured.

#### Dr. Darrin's Place of Business.
