A D Pettyjohn Happy

The Proprietor of Hall's Ferry Tells of His Wonderful Experience.

Salem Statesman.

Mr. A. D. Pettyjohn, proprietor of Hall's Ferry, and one of the best known pioneers in Marion county, is the happiest man in the Willamette valley. For the past three years Mr. Pettyjohn has suffered with deafness. His right ear was totally deaf and his left ear so badly affected that he could scarcely hear ordinary conversation. Mr. Pettyjohn tried many remedies, but met with no relief and finally resigned himself to his fate. But relief was due him and today he is happy in having suddenly and almost miraculously had his hearing restored. It happened in this wise. Last week, having heard of the wonderful cures effected by Dr. Darrin, he, like a drowning man grasped at a straw, decided to give the doctor a trial, and now, within one week of his first call on Dr. Darrin, Mr. Pettyjohn can hear as good as any one.

Mr. Pettyjohn called at the Statesman office recently and the ease with which he could hear conversation carried on in an ordinary tone of voice was remarked by one of the force, when he stated how his hearing had been entirely restored by Dr. Darrin, and he is enthusiastic in his praise of the doctor's method and wonderful success, and freely advises all sufferers with like troubles to go to Dr. Darrin for relief. Read his card.

To the Editor: For three years my hearing has gradually become impaired until the last year I was almost totally deaf in one ear and the other gradually going the same way. I was almost wild with noises in my ears. I had become desperate and went to Dr. Darrin at the Willamette Hotel, though I had little faith in him or any remedy. The doctor assured me I could be cured and he has kept his word. The noises are all gone and I can hear a watch tick and a whisper across the room. Please publish this that others may profit by it. Refer to me at Hall's Ferry, six miles southwest of Salem.

H. D. PETTYJOHN.

MARRIED.

SORLEY-COX.—Sunday, August 31, 1902, at the residence of the bride's uncle, Sol Cox, Mr. Chas. Sorley, of Salem, to Miss Mabel Cox, one of Riverside's most charming young ladies, the Rev. Mr. Oliver, of Salem, performing the marriage ceremony.

About thirty relatives and intimate friends witnessed the ceremony. At 3:30 the wedding party, consisting of the happy couple, supported by Miss Ida Colby as bridesmaid and Mr. W. O. Morrell as best man, entered the tastefully decorated parlor to the strains of Mendelssohn's wedding march and standing under a lovely arch of English ivy and La France roses the simple marriage ceremony was performed after which congratulations were offered and the company repaired to the dining room where they did justice to the bountiful dinner which was served.

The happy couple left for Salem, their future home, followed by the best wishes of a host of friends.

In His Foot.

Ralph Harrington learned that the old saying that an unloaded gun is the most dangerous is true last Monday by shooting himself in the foot while hanging up a gun. The gun is one of those which cock by the throwing back of a lever, and not knowing the piece to be loaded Ralph threw the lever back and was showing Percy Dodd how to hang it up on a nail by the trigger guard, when in lifting it muzzle down he let the weight fall on the trigger instead of the guard and the gun was discharged.—Falls City Leader.
