### CURES MULTIPLY.

#### Science Prevails Against the Ills Flesh is Heir To.

Salem Statesman.

Our readers are by this time familiar with the name of Dr. Darrin, and they have no doubt read with interest accounts of the many remarkable cures this celebrated physician has performed. We suspect that in spite of the many local cures, some have heard the testimonials of grateful patients with some suspicion as to their authenticity, therefore we are gratified to be able to present more testimonials of people who may be personal acquaintances. There are probably no better known people in the county than the names we present below. They have spent almost a life time in this state—and their reputations are such that no one can doubt the truth of their statement. They have received relief and cure at the hands of Dr. Darrin, at the Willamette Hotel, Salem, and desire to inform the people that they may have the same opportunity. We give their cards below:

#### No More Pain For Her.

To the Editor: For a long time I have been afflicted with what physicians called a cancerous tumor of my breast which gave me great pain. I have been under Dr. Darrin's electrical treatment and find my trouble has nearly disappeared. I am happy over the result. Refer to me at Pratum, Marion county, Oregon.

#### Discharging Ear Cured.

To the Editor: For fifty years or more I have had a discharging ear and partial deafness. The troubles

have given me a world of worry and inconvenience. I have been cured of the discharging ear and am rapidly recovering my hearing—all of which I ascribe to Dr. Darrin's skillful electrical and medical treatment. Refer to me at Woodburn, Oregon.

JOHN B. SMITH.

#### His Pain Gone, Coo.

To the Editor: For several years I have had a pain in my back, with kidney, liver and stomach trouble. Dr. Darrin has cured me. I will answer all questions at my farm on Mission Bottom, ten miles north of Salem. I commend Dr. Darrin to all in poor health.

OLIVER BEERS.

#### Sciatica and Lung Trouble Cured.

Mr. and Mrs. Reuben Lee, of Turner, Oregon, report that his sciatic rheumatism is cured and his general health good, the result of Dr. Darrin's treatment. Mrs. Lee was cured by Dr. Darrin of an abscess of her lung, cough and lameness. Both came to Dr. Darrin three months ago walking with canes. Now their power of locomotion is perfect.

#### No Whispering Allowed.

Mr. and Mrs. Wm. McMillan, of Monmouth, were in Salem last week to report progress in the treatment for deafness which the former is receiving by Dr. Darrin. He is so far improved, his wife says, that the family can hardly whisper that he does not hear it.

Attend the State Fair to be Held at Salem September 15-20.

Take a few days after haying and harvesting and go away for a change of scene and air. Too few farmers and farmer's wives take any vacation during the year.

There is nothing so good as a change of living and a few days' rest to brace one up, both physically and mentally. Most of the large city business houses give their employes one or two weeks' vacation during the year, and they find it pays well in the better health of their men and greater interest taken by them in their duties. A week's rest attending the state fair is both educational and recreative.
