## VIBRATION

Electricity is a force resulting from the vibrations of either waves. Owing to the fact that life force is also vibratory ether, the effect of electricity on the human body is very pronounced. If from any cause the vibratory rate of the etherical life waves in the human body is lowered, vitality is weakened and sickness is the result.

An application of electricity by a skillful physician who understands the law governing its action is the most powerful healing force that can be applied. It raises the vibratory rate to its normal condition, and health is restored. As to results, read the cases appended, cured by Dr. Darrin:

Chief of Police Brisbo's wife, of the Indian reservation, Pendleton, Oregon, almost total blindness cured.

Chris Breeding's son, Pendleton, eye troubles for years, restored.

Miss Nellie Royse, Athena, cross-eyes, cured.  
R. M. Patton's daughter, Pendleton, discharging ears, cured two years ago.

L. M. Comons, Russell street, Albina, Oregon, sciatic rheumatism and lumbago, cured.

B. F. Pope, Houlton, Oregon, diabetes and catarrh of the bladder, restored.

W. H. Pettis, agent Mutual Life Insurance Company, 33 Stark street, Portland, deafness, cured.

Thomas Madison, Farmington, Oregon, scrofulous swelling under the ear, causing total deafness; cured.

A. E. Miller, photographer, 277 Knott street, Albina, Oregon, stricture many years, life despaired of; cured.

Joseph Leader, Taylor postoffice, total deafness six years; cured.

G. B. Matthews, Eagle Point, Oregon, consumption and large tumor; cured.

H. A. Tucker, president of the bank at Genesse, Idaho, catarrh 15 years; cured.

Hundreds of other cures might be mentioned were it not for the fact that many dislike to see their names in print. Patients desiring to see Dr. Darrin should not delay.

Dr. Darrin gives free consultation at Willamette Hotel, Salem, until November 1st, from 10 to 5 and 7 to 8 daily. All curable chronic, acute and private diseases confidentially and successfully treated. Circulars and question blanks sent free to any address and correspondence solicited. Most cases can receive home treatment after one visit to the doctor's office. Batteries and belts furnished when necessary, with full directions for their use.

### Deafness Cannot be Cured

By local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
