35 YEARS REUNION.

The Riddels Hold Reunion After Long Separation.

A pleasant meeting of brothers after a long separation was had Thursday when Alexander Riddle of San Fernando, Trinidad visited William Riddel at this place. The brothers parted 35 years ago at

their old home in Scotland, where their aged parents now reside. They are hale, vigorous, active men and have seen life in its many phases. This is Mr. Riddel's first visit to the United States and he is greatly impressed with the many possibilities to be found especially in the West. He is manager and owner of a large sugar plantation.

BROKE JAIL.

Young Man Accused of Theft Makes a "Getaway" at Dallas.

R. G. Marshland, a young man from Dakota, who was in jail at Dallas on the charge of taking a purse and some money from the home of Judge Collins, where he was staying made his escape last night. Sheriff Ford had gone to the jail to lock up the cells for the night and while he was locking in another man young Marshland, who was sitting in a window jumped up, ran down the stairs and was gone before Ford realized what had happened. Ford thinks he went to Independence and has gone in search of him.

Marshland evidently had not planned the escape, as he left his straw hat lying on the table.

"The fastest selling article I have in my store," writes Druggist C. T. Smith, of Davis, Ky., "is Dr. King's New Discovery for Consumption, Coughs and Colds, because it always cures. Mothers rely on it, best physicians prescribe it, and Kirkland Drug Co. guarantees satisfaction or refund price. Trial bottles free. Regular sizes, 50c and \$1.00.

"An attack of la grippe left me with a bad cough. My friends said I had consumption. I then tried Ayer's Cherry Pectoral and it cured me promptly."

A. K. Randles, Nokomis, Ill.

You forgot to buy a bottle of Ayer's Cherry Pectoral when your cold first came on, so you let it run along. Even now, with all your hard coughing, it will not disappoint you. There's a record of sixty years to fall back on.

Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing.
