HOPS MOVING.

Few Sales Ranging From 23 1-2 to 25 1-8 cents per pound.

This week has noted several important hop sales, the prices ranging from 23 1/2 to 25 cents, while one offer, that of J. E. Hubbard, of 25 1/4 cents per pound was refused.

His is the highest offer we have yet heard of in this locality.

There seems to be a general feeling among hop men that prices are to go higher, yet it is an almost safe prediction that four-fifths of the hops here will be moved at prices ranging in the neighborhood of 25 cents.
