

THE IMPERIAL CLOSED.

Sam Wallace, the Proprietor, Leaves Over a Week Ago.

The Imperial saloon, owned by Sam Wallace, was closed Saturday by Constable Moran at the instigation of creditors. It seems that Mr. Wallace over a week ago left, saying he was going to Portland, but went to other parts, it is said. At the time he left he took all his personal effects evidently with the intention of remaining in justice to Mr. Wallace it should be said he had promptly met all payments due on his establishment until the November one.

During his picking he had an immense business and he would probably rather leave with the cream of business and let his creditors have his place of business than to conduct it through the dull period. The saloon is to be opened by other parties soon.

WILL ENTERTAIN.

Railroads Make Low Rates on Occasion of Oregon Irrigation Association Convention.

The Oregon Irrigation Association convention of over 400 delegates will assemble in Portland, Tuesday and Wednesday, November 18 and 19; also the Bar Association meets here on the same days, on which occasions the railroads have made reduced rates, tickets good for six days on all lines from points in Oregon to Portland.

Portland proposes to entertain all visitors over the railroads on the occasion with a ball or concert free theatres, with visits to wheat ships, public library, Oregon Historical Society rooms, the \$500,000 City Hall and the \$1,000,000 Federal custom house, a steamboat ride on the Willamette and Columbia rivers and in other ways as will best show Portland's enterprise, hospitality and desire to become better acquainted with the people of the whole state and they with it.

It is expected several thousand people from all over Oregon will take advantage of the cheap excursion rates announced by the O. R. & N. Southern Pacific and Northern Pacific to visit Portland irrigation week and it is the intention of the business men of Portland to give these a royal welcome and free entertainment regardless of whether they come as regularly appointed delegates or simply as visitors.

Dark Hair

"I have used Ayer's Hair Vigor for a great many years, and although I am past eighty years of age, yet I have not a gray hair in my head."

Geo. Yellott, Towson, Md.

We mean all that rich, dark color your hair used to have. If it's gray now, no matter; for Ayer's Hair Vigor always restores color to gray hair. Sometimes it makes the hair grow very heavy and long; and it stops falling of the hair, too.
