Students Still Coming—School in a Flourishing Condition.

The sixth week of school closed and students are still entering. Among the arrivals of last week were Miss Quick, of Coos County, and Mr. and Mrs. Sturgill, of Baker County, who bring two new students with them, Mr. Frank Sturgill and Mr. Edward Cass. It looks now as though the attendance for the first semester would reach the total number enrolled during the whole of last year.

The Monmouth band is busily rehearsing for a concert to be given in the Chapel in the near future. The band is said to be in first class condition and will no doubt render a splendid program. A large part of the membership is composed of O. S. N. S. students.

Senior essays last Thursday were read by Miss Laughlan and Miss Hall. The former took for her subject "The Unreclaimed Lands of the Country," the latter, "A Page from Colonial History."

President Ressler and Professor French are scheduled to address the Teacher's Institute of Yamhill to be held at McMinnville the last of this week.

Athletic interests are being quietly worked up. The Football Team is rounding into shape, though greatly handicapped by the absence of a coach. It is thought a competent man will be secured this week. The Girls' Basketball Team is being organized for a vigorous campaign this year. A number of promising candidates are trying for places and the prospect of a strong game is good. Game of golf does not appear to have much charm to the students, though there are several enthusiasts among the members of the faculty. Professor Campbell is the champion golfer so far this season.

Look with horror on skin eruptions, blotches, sores, pimples. They don't have them, nor will any one who uses Buckle's Arctica Salve. It glorifies the face. Eczema or salt rheum vanishes before it. It cures sore lips, chapped hands, chilblains. Infallible for piles. 25c at Kirkland Drug Co.'s.

Neglected colds always lead to something serious. They run into chronic bronchitis, pneumonia, asthma, or consumption. Don't wait, but take Ayer's Cherry Pectoral just as soon as your cough begins. A few doses will cure you then.
