**Albany Strikes a Snag in the Monmouth Normals**

Up against it! That is what the Albany College football team thought last Saturday, when they bumped against the Monmouth Normal line. The Albany fellows never dreamed that a surprise party was in store for them until after the first down. Lovers of the game who like to see a real old fashioned "line smash," where the ball goes down with twenty-two men on top of it, were not disappointed in Saturday's game. From the first kick off until the time-keeper's whistle announced that the forty minutes was over, both teams played ball.

The Albany team is considered among the best in the State and up to last Saturday they had not been scored against. Even the varsity eleven of the U. of O. could not touch the pig-skin down behind Albany's goal line. When the Monmouth Normal boys made a touch-down, Albany naturally felt disappointed and a few people were surprised.

This was the first real game of the season for the Normals and they have cause to feel justly proud of their work. Every man on the team got into the game. The way the O. S. N. S. "backs" tackled and broke up plays and the "ends" went through Albany's line was a caution. The crowd could not help but laugh as Albany wept.

The plays were fast and furious in the "first half." The Normal boys let the College men score ten points, but in the second half the Normals rolled up six points while the College manages by putting in some fresh men to scored five.

The day was rainy and the field heavy but the small crowd who witnessed the game were amply repaid for venturing out in inclement weather.

**GOOD NEWS FOR DALLAS.**

**Endowment Fund Being Raised for College.**

Oregonian: Rev. C. C. Poling, D. D., president of the Dallas College, was a guest at the home of C. Peddicord, Stephens addition, yesterday and occupied the pulpit of the First United Evangelical church morning and evening in place of the pastor, Rev. H. L. Pratt, who is sick in the Joliet (Ill.) hospital. Dr. Poling has just returned from Williamsport, Pa.

where he attended the sessions of the general conference of the United Evangelical church, which continued for two weeks.

"We obtained several important things for Oregon conference," said Mr. Poling yesterday, in speaking of his trip.

"After a hard fight we obtained a substantial recognition of our college at Dallas and the way is now open for us to obtain endowment fund. Heretofore we were not permitted to ask for funds in any of the Eastern conferences of our church, but a resolution was passed at the general conference by which we can work in the interests of our Oregon institution in the East. There was much opposition as the delegates thought we had an insignificant school here in Oregon.

But I hope, with the way open, to obtain a \$50,000 endowment. We have secured already about \$12,000. Next spring I shall take up the work of raising the larger fund. Another thing was the passing of a resolution for the collection of a fund for the erection of a church at Dallas through the Keystone League of Christian Endeavor Societies. The board of managers will take hold and by circular letters enlist the aid of every league in our church to make a special effort to raise a fund for the Dallas church. I was honored with the position of assistant English secretary of the conference and Rev. H. L. Pratt was a member of the way and means committee. The new bishops are H. B. Harizler and W. F. Heil. They take the places of Bishop R. Dubs and Bishop W. M. Stanford, both of whom are well known in Oregon. The former was elected editor of the English paper of the church. The affairs of the church are very prosperous."

One incident in connection with the general conference on which Mr. Poling is silent is that he narrowly escaped being elected one of the bishops. His name had been mentioned prominently in the church papers in connection with the office and at the ballot he was fourth highest. It is conceded that Dr. Poling will be elected bishop at the next general conference.

The agitation for free rural mail delivery is coming to the surface again in Buena Vista. This subject was discussed here early last spring and was finally dropped, but a rumor is again afloat concerning it.

The question is, why does anyone desire rural delivery for this locality? In case it is established, mail will reach here the day after it arrives at Parker, because a carrier will cover the route but once a day, leaving Parker in the morning. One mail a day instead of two, as is the present service and letters stale before they reach one, business taken from Buena's

**What's the use**

Of buying expensive linen, and then taking it to some cheap-priced, inefficient laundry to be ruined by careless methods and bleaching compounds? Better patronize a laundry which does honest work, washes clean, irons without scorching and leaves you content—pays in the long run and saves worryment. We bespeak your patronage because we know we can afford you satisfaction. Orders left at Kutch's barbershop or the Salem stage will receive prompt attention.
