D. A. HODGE, Sec.

Monmouth Evangelical Church.

Last Sunday was a red-letter day at the Monmouth Evangelical Church. Rev. N. Shupp, presiding elder, of Portland, officiated, assisted by Rev. J. Oliver, of Salem, and F. M. Fisher, of Portland. The communion of the Lord's Supper was celebrated after the morning sermon.

In the afternoon the ladies of the church met at the home of Mrs. T. Halleck, and under the direction of Rev. Shupp, were organized into a woman's missionary society. The following officers were elected:

- Miss Pearl Halleck, president.
- Mrs. T. Halleck, vice-president.
- Mrs. A. F. Chute, secretary.
- Mrs. E. V. Hefley, treasurer.

The object of this society is to gain missionary intelligence, collect funds, and do home mission work. For a number of years the society was heavily burdened by a remaining debt on the church. By vigorous efforts the entire amount was collected, the notes paid off, and on Sunday evening were publicly burned. Rev. Shupp delivered an appropriate address in well chosen words, after which Y. Halleck,

treasurer in the name of the trustees presented him with the notes which were burnt while the congregation stood and sang, "Praise God from whom all blessings flow." The congregation greatly rejoiced and is much encouraged in its work. Rev. S. A. Serivert, of Salem, will commence his work the first Sunday in December.

Under the Waves.

Special from Buena.

Harvey Nash wishes he was big enough to "lick" the whole aggregation of O. R. and N. people, deck hands, bosses, chinese cooks and all others connected with the company. Mr. Nash has, since last October,

operated the ferry boat at Buena Vista. The job brings in a very respectable salary and Mr. Nash has been at his post of duty, early and late. But the ferry boat is at the bottom of the river, its operator is idle and probably will be for some time. It happened thus: Last Friday night the steamer Ruth neared the wharf at Buena. The landing is a difficult one to make and the Ruth is a large boat. The ferryboat was at its customary anchorage for the night and onto the ferry the Ruth backed and practically sat down! There was a crash and the ferry disappeared, save the top most rails, the skiff attached broke away and the ferry is said to be badly demolished and its repairing is a matter of doubt. It is owned by Hugh Baldwin, of Chicago, who has been notified of the accident.

When the Ruth struck the ferry Hank and Mit Wells were on the latter and needless to say their hair began to rise. They heard a smash and thinking their time was up were about to strike a "now-I-lay-me-down-to-sleep" attitude when they discovered what had occurred and beat a hasty retreat for the bank.

Perhaps one of the worst features of the affair is, that residents on the other side cannot get across the river and are greatly inconvenienced thereby.

ONE STEP MORE

Will be fatal to the sleep-walker. Will he draw back or will he take the final, fatal step? A great many people are in peril like the sleep-walker. They are diseased. The disease is progressing day by day. The time comes when one more step away from health is fatal. The man who has suffered from indigestion or gastric trouble goes some night to a dinner and returns home to find he has taken that last step from health which can never be taken back.

To neglect the cure of indigestion or some other form of stomach trouble is dangerous. It is also inexcusable. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It purifies the blood, stimulates the liver, cures biliousness, and eliminates bilious poisons from the system.

"The praise I would like to give your 'Golden Medical Discovery' I cannot utter in words or describe with pen," writes Jas. B. Ambrose, Esq., of 1203 1/2 Mifflin St., Huntington, Pa. "I was taken with what our physicians said was indigestion. I doctored with the best around here and found no relief. I wrote you, and you advised me to use Dr. Pierce's Golden Medical Discovery. I took three bottles and I felt so good that I stopped—being cured. I have no symptoms of gastric trouble or indigestion now."

If you ask your dealer for "Golden Medical Discovery" because you have confidence in its cures, do not allow yourself to be switched off to a medicine claimed to be "just as good," but which you did not ask for and of which you know nothing.
