In an interview at Ashland with a representative of the Portland Telegram, Senator B. F. Mulkey, of this county, says he will support Governor Geer for United States Senator. As Mr. Mulkey is supposed to be the spokesman of the Simon forces in the upper branch of legislature, several of the papers over the state are figuring that Senator Simon's influence will be thrown to the governor.

Today is our tenth birthday and we take this event as an occasion to rededicate our future services to the up-building of the city of Independence and the development of Polk county in general. Gentlemen, let us have concerted action and bring to our midst new industries along with desirable citizens. The ENTERPRISE will tack the banner of progress to our helm and fight for every measure that will redound to best interests of our town. Year by year we have developed our facilities until today (we say it with pride but not with braggadocio) we have the best equipped printing establishment of any city any where near our size in the north-west. We are prepared to do our part, will you do yours?

Mrs. Laura S. Webb.

Vice-President Woman's Democratic Club of Northern Ohio.

"I dreaded the change of life which was fast approaching. I noticed Wine of Cardui, and decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax."

Female weakness, disordered menses, falling of the womb and ovarian troubles do not wear off. They follow a woman to the change of life. Do not wait but take Wine of Cardui now and avoid the trouble. Wine of Cardui never fails to benefit a suffering woman of any age. Wine of Cardui relieved Mrs. Webb when she was in danger. When you come to the change of life Mrs. Webb's letter will mean more to you than it does now. But you may now avoid the suffering she endured. Druggists sell \$1 bottles of Wine of Cardui.
