SPECIAL

Inventory Sale!

At the Buena Vista
CASH STORE
 Beginning Thursday, Jan. 1, 1903,

Every article in our store, excepting Groceries and Hardware will be sold during this sale at

Greatly Reduced Prices

We want to reduce our stock as much as possible before taking our annual inventory. Our manager, Mr. Cole, wants to be kept busy during the summer season. We don't want to carry any winter goods over through the dull season, but do want them out of the way of our new spring stock when it arrives.

Money saver for all

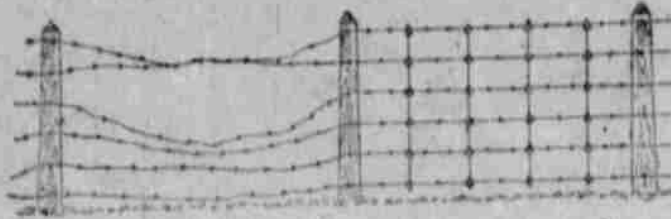

We are very grateful to the people of Buena Vista and vicinity for the liberal patronage we have received and we will try to make this sale a money saving opportunity for all, and hope it may meet the approval of our many customers and be appreciated by the generous public.

Sale to Continue until Further Notice is Given.

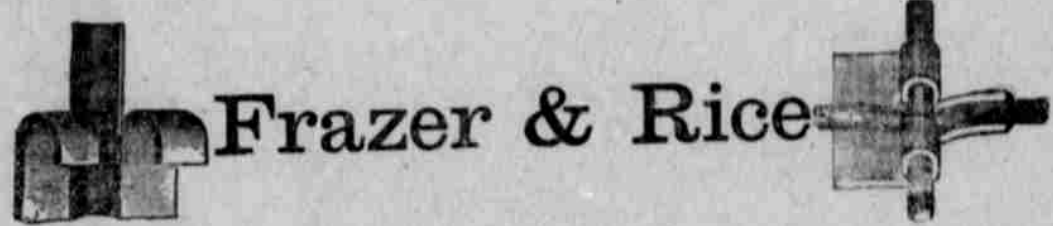

The prices named in our Monmouth circulars and ad on another page of the Enterprise will apply at Buena Vista also. Read both ads carefully.

S. M. DANIEL, Proprietor.
E. C. COLE, Manager.

ANCHOR FENCE

Every farmer must sooner or later consider the fence question, and they can not be too careful in selecting an article of so much importance. We have the agency for the ANCHOR FENCE, an all large wire fence, which has been found to be the fence that gives the best results, as each wire must last as long as any other. All should be large and strong enough to last a life time. If you are interested in the fence question we ask you to call and see us. It will pay you.
