Polk county delinquent tax list for 1901 is now in the hands of the printer. The property is advertised for sale February 31. The list amounts to \$1003. This is the smallest amount of delinquent tax in the history of the county and Deputy Sheriff E. Hayter estimates that by the day of sale the amount will be reduced to \$500. The 1900 delinquent tax amounted to \$2100. The present mode of collecting taxes in Polk county at least has been a great success and Sheriff Van Ordel and Ford have been energetic in following the law.
