It you meet a new comer, do your duty. Say a good, true word for Independence.

James Russell Lowell has us say, "And what is so rare as a day in June?" We might add and say, "What would be so much appreciated in the East just now as a week of old Willamette's January weather?" No country's spring weather could possibly surpass it. You can't beat it, that's all.

The ENTERPRISE favors a liberal appropriation by the state legislature for the Lewis and Clark Exposition. The opposition to an appropriation little think that we are asking our sister states and private capital for liberal appropriations and we cannot be niggardly in the matter. Anything worth doing is worth doing well.

The ENTERPRISE favors the nomination of Hon. Binger Hermann to succeed the late Thomas H. Tongue. At the time of his defeat by Tongue he ranked higher on the rivers and harbors committee than Tongue did at his death. No man in this district is so well prepared as Mr. Hermann to fill this position.

Finds Way To Live Long.

The startling announcement of a Discovery that will surely lengthen life is made by Editor O. H. Downey, of Churubusco, Ind. "I wish to state," he writes, "that Dr. King's New Discovery for Consumption is the most infallible remedy that I have ever known for coughs, colds and grip. It's invaluable to people with weak lungs. Having this wonderful medicine no one need dread pneumonia or consumption. It's relief is instant and cure certain." Kirkland Drug Co. guarantee every 50c and $1.00 bottle. and give trial bottles free.
