Only 10 Days More!

OUR GREAT CLEARANCE SALE

Will Close Saturday, February 7th

Our sale has been a decided success, but there is only a few days left in which to secure such bargains as we offer below.

Thursday, January 1st, and will continue until further notice. We want to reduce our stock to the lowest possible point by taking our inventory. We want to have our storeroom thoroughly cleaned and renovated and some changes made before our spring stock arrives and want the goods out of the way of the workmen. We want to be kept busy during what is usually considered the dull season of the year. We want some extra cash to square up all our 1902 bills within the next 30 days in order to accomplish these results we will make

Big reductions in prices on every article of merchandise in store during this sale.

If this sale proves a success and is appreciated by the people of Monmouth and vicinity to the extent we think it justly merits, and we are kept busy for the first ten days of the sale, then it will continue during the month of January. But if we fail to meet our expectations and results are not satisfactory, the sale will stop after ten days. The past year's business has been by far the best for us since coming to Monmouth and we appreciate very much the liberal patronage we have received. And we will use every means at our command to make this sale profitable and interesting to, and appreciated by the public. We rely chiefly on the Big Bargains we offer below on our Fifteen Thousand (\$15,000) stock of new and up-to-date merchandise for these results. We trust our efforts will not be in vain.

Men and Boys' Overshirts Reduced

For want of space we can not give prices on all lines, but as stated above everything in stock is included and will be sold at reduced prices—over boots, overshoes, trunks, traveling bags and telescopes, notions, ribbons, laces, yarns, corsets, braids and trimmings, neckwear, sweaters, fasci-ators, and all other articles found in a first-class dry goods store. A large increase in our cash receipts being one of the main objects of this sale, you will please remember that it will be conducted on a strictly cash basis. All kinds of products, however, including eggs, butter, bacon, lard, poultry, etc., will be taken at its cash value for goods the same as cash. If you have any of the above always bring it to this store. All accounts should be settled by January 1st. If you owe us anything on account please be prompt as possible. It is impossible under the present conditions in the business world for merchants to continue to extend credit unless accounts are paid prompt and often. Don't throw this away after reading it. Better hang it up where it will be handy. You will want to look at it often.
