mountain tops, and then you have an artistic background for a tropical forest. The air is full of sunshine and heavy with fragrance as night comes on and then, if the moon be shine, you may hear at midnight, through open windows, the song of the mocking bird in the scented grove and it never seemed so melodious before.

An experience like this is possible any winter, and it is worth a journey of a thousand miles, while you can have it, by taking the scenic Shasta Route through the grand and picturesque Siskiyou and Shasta Mountains to Southern California. Complete information about the trip and descriptive matter, telling about California, may be had from any Southern Pacific agent or

Bad Coughs

"I had a bad cough for six weeks and could find no relief until I tried Ayer's Cherry Pectoral. Only one-fourth of the bottle cured me."
L. Hawn, Newington, Ont.

Neglected colds always lead to something serious. They run into chronic bronchitis, pneumonia, asthma, or consumption.

Don't wait, but take Ayer's Cherry Pectoral just as soon as your cough begins. A few doses will cure you then.

Three sizes: 25c, 50c, \$1. All druggists.

Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing.
