G. Burg and Oliver T. Solir, recently from Minnesota, were looking over our city this week and stated that they were very favorably impressed and would return later on. They have been over most of the valley looking for a location.

The Independence correspondent to the Dallas Itemizer says: "A grave and serious case of neglect in the care of the child of Frank Blanchard and wife is being investigated by the school board and some of prominent citizens. The child is 8 years old and does not know anything about the inside of a school house and if not kept off the streets will probably cause the arrest of the parents for the neglect."

Mr. and Mrs. F. E. Choate, of New Hampshire, are here on a visit to Mrs. Choate's father, W. G. Cressy. They paid Oregon a visit about eight years ago and are delighted with the climate here, though they think in the New England states money is easier made. Mr. Choate says Oregonians do not realize the value of their resources; that some of the wood used here for fires is worth as high as \$80 per M in New Hampshire. He thinks the people of Independence should be a unit in securing some manufacturing enterprise to establish here, as property would soon double and the future of our town unquestioned.

The Arcos Davidson & Hedges, Proprietors  
CIGARS, CIGARETTES, TOBACCO and Confectionery  
FIRST CLASS SODA FOUNTAIN CONNECTION.

American Field Fence is strongest and best. The best the cheapest. Buy American.

E. E. Yarnell, a resident of this place, was taken to the hospital recently, as a result of a wound he received several weeks ago while cutting wood. The wound is located in the knee and it is feared a serious operation will be necessary to locate the trouble. A friend of Mr. Yarnell visited him Sunday and he is quite cheerful and is glad to see all his friends who may feel like calling while over there.

The Georgia Harper Contest will appear here next Wednesday evening in Dumas' masterpiece "Camille." In conversation with the advanced agent, he positively stated that Miss Harper's eyes were sufficiently improved to justify her appearance regularly on stage hereafter and that Independence people would have a chance to see her on this occasion. People should take advantage of the opportunity presented to see so talented an artist as Miss Harper.

Mrs. Grace Hall, nee Adams has again been awarded first prize in a correspondence contest covering a period of five months which fourteen contestants took part. The INDEPENDENCE ENTERPRISE offered a prize to the correspondent sending it the best items, quality and quantity considered, for a period ending October 4, 1902. Seventeen persons entered the contest and Mrs. Hall won. Another contest was started which closed a few days ago, and the lady won first prize, a fine antique oak desk, beautifully finished, with mirror on top. Mrs. Hall certainly has exceptional journalistic ability.—Corvallis Gazette.

Disturbances of strikers are not only as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There is nothing so efficient to cure disorders of the liver or kidneys as Electric Bitter. It's a wonderful tonic and effective nerve and the greatest all around medicine for run down systems. It dispels nervousness, rheumatism, neuralgia and expels malaria germs. Only 50c and satisfaction guaranteed by Kirkland Drug Co.
