## "I have no more nervous headaches and rest very well at night."

When a woman suffers from female weakness and irregularity or other forms of womanly disease, the effect is certain to be marked in her nervous system, the general effect being, as in Mrs. Woodin's case, "nervous headaches, restlessness at night" and a run-down condition. It is simply common sense then which says if you cure the female weakness, irregularity, etc., you will cure the nervousness, sleeplessness and other consequences of womanly disease.

Dr. Pierce's Favorite Prescription cures the womanly diseases which undermine the general health. It establishes regularity, dries enfeebling drains, heals inflammation and ulceration, and cures female weakness. It cures headache, nervousness, sleeplessness, etc., by curing the womanly diseases which cause these ailments.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y.

"I feel more than grateful to you for the benefit I have received from Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' writes Mrs. Ernie R. Woodin, of Millerton, Dutchess Co., N. Y., care of Box No. 1. 'For a number of years I had been troubled with female weakness, nervous headache, irregularity, restlessness at night, and, in fact was all run-down, but after taking three bottles of 'Favorite Prescription' and one of 'Golden Medical Discovery' feel that I am entirely cured. I have no more nervous headaches, and rest very well at night; in fact, feel like a different person, thanks to your kind advice and wonderful medicine. I earnestly advise all who suffer from any similar troubles to write to Dr. Pierce at once. They will not regret it.'"

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.

Mabel Wheelock, who is teaching at Parker, spent Sunday with her parents here.

Maudie Mack came out from Monmouth Friday and visited over Sunday with her brother, W. H. Mack, and family.

There will be Easter exercises at the school house on Easter Sunday at 11 o'clock A. M. Rev. L. Green, pastor of the Christian church of Dallas, will preach at 3 o'clock after the basket dinner. All are invited to attend and have a most enjoyable time.

### Robbed the Grave.

A startling incident is narrated by John Oliver, of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to try Electric Bitters. To my great joy the first bottle made a decided improvement. I continued their use for three weeks and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c. Guaranteed at Kirkland Drug Co.'s.

### Another Gentle Hint.

Buena Vistaites who have occasion to travel the Corvallis-Independence road are greatly pleased over the recent improvements made to the Soap Creek bridge.

The south approach, which has been very unsafe, has been made considerably wider by the addition of several loads of dirt to each side and a good railing has been put up.

The good work should be continued.

### Dizzy?

Then your liver isn't acting well. You suffer from biliousness, constipation. Ayer's Pills act directly on the liver. For 60 years they have been the Standard Family Pill. Small doses cure. All druggists.

tinued. The Soap Creek bridge on the Monmouth-Corvallis road also needs attention. The north approach is lacking a plank which causes a vehicle to drop at least a foot as it leaves the bridge, while in driving onto the approach from the north, a rig is given a terrific wrench, not to mention the effect on both horse and driver.

Another bad feature of the highway hereabouts that causes much unfavorable comment, is the forty or fifty rods of road running east and west along the A. J. Richardson farm, across the Luckiamute. A worse strip of road for "chuck holes" would be hard to find.

We wish to cast no reflection on those in charge of these matters, but simply offer a hint looking to the betterment of the public highway in question, it is not a personal matter in any sense, but one that should interest every party who desires the advancement of Polk county.

### Makes a Clean Sweep.

There's nothing like doing a thing thoroughly. Of all the salves you ever heard of Bucklen's Arnica Salve is the best. It sweeps away and cures burns, sores, bruises, cuts, boils, ulcers, skin eruptions and piles. It's only 25c and guaranteed to give satisfaction by Kirkland Drug Co.
