The ENTERPRISE, in supporting Mr. Hermann for congress, does not have to get in the band wagon, for this paper was the first to advocate his return to congress. It is contended that Mr. Hermann had served sufficient time and should be relegated to oblivion. The same argument was advanced to defeat the late Senator Dolph, and again with Senator Mitchell. Their successors accomplished little if anything. In the second district the best man they ever had in congress, Mr. Moody, has been turned down. It took Mr. Tongue some time to attain a standing. We believe Mr. Hermann has this prestige already, and will make Oregon a good congressman.

McMinnville college is making a worse botch of it by passing resolutions reciting their confidence in Smith, the college orator convicted of plagiarism. It is a lame excuse

to say the likeness of the two addresses "resulted from unintentional and unconscious repetition from memory." A man with the intellect to read a lengthy address of another's over a few times and learn it by heart would surely have the intellect to know it belonged to another and knows where he saw it. A man who had the intellect to perform the former task would hardly be such a fool to do the latter trick. Leave a rotten mess alone. Whitewash is poor treatment for such a case.

School Exercises.
Following is the program of the Sunny Slope school rendered on Arbor day:
Reading.....A. J. Shipley

Half-Sick

"I first used Ayer's Sarsaparilla in the fall of 1848. Since then I have taken it every spring as a blood-purifying and nerve-strengthening medicine."
S. T. Jones, Wichita, Kans.

If you feel run down, are easily tired, if your nerves are weak and your blood is thin, then begin to take the good old standard family medicine, Ayer's Sarsaparilla. It's a regular nerve lifter, a perfect blood builder. \$1.00 a bottle. All druggists.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows all about this grand old family medicine. Follow his advice and we will be satisfied.
