**GREATLY ALARMED**

By a Persistent Cough, but Permanently Cured by Chamberlain's Cough Remedy.

Mr. H. P. Burbage, a student at law, in Greenville, S. C., had been troubled for four or five years with a continuous cough which he says, "greatly alarmed me, causing me to fear that I was in the first stage of consumption." Mr. Burbage, having seen Chamberlain's Cough Remedy advertised, concluded to try it. Now read what he says of it: "I soon felt a remarkable change and after using two bottles of the twenty-five cent size was permanently cured." Sold by Kirkland Drug Co.

While seated near a hot stove one evening last week the clothing of a little son of J. W. Yost, of Pedee, caught fire and serious results were prevented by the prompt action of Mr. Yost in smothering the flames. The little boy had been training hops during the day and as the work required him to be on his knees most of the time he had prepared a "pad" made from the cloth used on the floor of the hop house as a protection to his knee, and as by use the cloth had become so thoroughly impregnated with sulphur that it was highly susceptible of combustion and readily ignited from the heat of the stove. The incident shows the danger of leaving old kiln cloth where it is likely to be exposed to any great degree of heat.

**ANTIOCH.**

**Mrs. Fred Unrath.**  
President Country Club, Benton Harbor, Mich.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.
