

A MOST REMARKABLE CURE OF HEART DISEASE

(Albany Democrat)

Perhaps one of the most wonderful results on record is the wonderful cure of Mrs. S. E. Clark by electricity and medicines administered by Dr. Darrin. Mrs. Clark was carried to Dr. Darrin's office in an almost dying condition, afflicted with a complication of diseases. Here are her own words:

Ukiah, Ore.—To THE EDITOR: My health began to fail over a year ago. I gradually fell away until I became very weak. I was suffering from heart, lung and stomach troubles. On the 24th of December, 1897, I went to Pendleton and put myself under Dr. Darrin's treatment by electricity and medicines, and began to improve from the first treatment and continued to improve. At the present time I have good health. My neighbors say they never expected to see me return home from Pendleton, and were greatly surprised at my recovery.

SIX YEARS LATER.

Ukiah, Ore.—Dr. Darrin: I am enjoying good health, have gained over 20 pounds in the past six years. I feel entirely cured, and very grateful indeed to have good health after years of suffering with heart, stomach and lung troubles; also diseases peculiar to women. I cannot praise you too highly. Refer to me.

An Ashland Patient's Card.

Some time ago I contracted a severe cold on the lungs, which, being neglected, became chronic. After vain attempts for relief I concluded it was death or Arizona. On hearing of Dr. Darrin I consulted him. It is now one month since placing myself under his care and I can truthfully say all morbid feeling has left my lungs and I feel that I am on the road to a permanent cure. I am now able to work every day at hard labor. Furthermore, I will say in addition to his medical and electrical skill. Dr. Darrin is a man with a great human heart, and is unusually reasonable in his charges. I knew Mr. C. Carey, of Sams Vahey, Oregon, before and after his cure of almost total deafness. Refer to me at Ashland, Ore.

Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years," she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For liver, kidney, stomach and bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by A. S. Locke.

The "Thing" Replies.

We are reliably informed that one of our neighborly rivals in the Enterprise contest made inquiry recently as to "what kind of a 'thing' that is that writes the Buena Vista items."

Now friend rival we are not accustomed to being called a "thing" and we see no occasion for such terms to be used regarding our writing.

True, we have carried off first prize, in each of the two contests in which we have participated; but every point we have made has been by our own efforts, fair and square, and without combining forces or resorting to other methods that are not exactly ly just.

We are not boasting concerning the past nor the future, but we consider ourself entitled to as much respect as is due any other correspondent who is honestly striving for the prize. If any one desires to see "that thing" that writes the Buena Vista items, let them call at our home and we will cheerfully appear and allow them to gratify their curiosity by taking a good, long "rubber" at Buena's correspondent.
