Only twelve lynchings and burnings at the stake in this country during June, and several this month, including a race riot in Indiana that has cost many lives. If we keep on we can "boast" of a Kishinef affair of our own. It might be well for the president to save the petition to Russia for cruelty to the Jews and divide it up and distribute it to various sections in our country.

To the person who has paid the least attention to the newspaper report regarding the attacks on Dr. Alexander Blackburn, pastor of the First Baptist church of Portland, fail to find in evidence that Christian spirit of forgiveness, and malice toward none that should govern not only the religionist, but the actions of every individual. They themselves must walk in the straight and narrow path if they would fain have others do likewise.

Among the best known Oregonians is John Barrett, recently appointed minister to Argentine Republic. He is a man of indomitable energy, and gifted with a mind which can grasp the conditions of the future amazingly well. The Lewis and Clark fair loses its a blest worker in his removal to another field of duty, although he was not actively associated with the 1905 exhibition. We predict that we shall see the time when John Barrett, of Oregon, is one of America's brightest diplomats.

**Just Like a Letter.**

**Buena Vista Special.**

Former residents of Polk county now residing in other parts of the universe, appreciate the ENTERPRISE. Some county papers do not believe it necessary or extremely valuable to the paper to have much space devoted to news letters from country correspondents.

The popularity of the ENTERPRISE is an argument in direct contradiction to this belief, and testimonials received daily from distant readers is proof positive that the country news letters are a drawing card.

A lady in Buena Vista on a visit hands in her subscription with the remark: "I want the ENTERPRISE so I can see what you people are doing. It is just like a newsy letter from home." Another subscriber who recently visited relatives in Washington says: "You have no idea how eager the folks are to get the paper in order to see the home news."

So it goes. Hand us your name and \$1.50 and we will do the rest. Remember those art calendars wont last forever.

**Mrs. Fred Unrath.**

President Country Club, Benton Harbor, Mich.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.

**WINE OF CARDUI**

throughout the U. S., asking for the names and addresses of women, to be used in a mammoth petition to congress, asking for a National law prohibiting the sale of cigarettes to minors.

Every woman is interested in some young boy's future success in life, and the "endless chain" postal card scheme will no doubt fulfill its intended mission.

If you receive a card, give it your attention, for the sake of humanity at large, and help to ameliorate an evil that is yearly robbing the nation of many of its brightest and best boys.

**Night Was Her Terror.**

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure coughs, colds, la grippe, bronchitis and all throat and lung troubles. Price 50c and \$1.00. Trial bottles free at A. S. Locke's drug store.

**Cholera Infantum.**

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. All that is necessary is to give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, as directed with each bottle, and a cure is certain. For sale by Kirkland Drug Co.
