### Very Remarkable Cure of Diar- rhoea.

"About six years ago for the first  
time in my life I had a sudden and se-  
vere attack of diarrhoea," says Mrs.  
Alice Miller, of Morgan, Texas. "I  
got temporary relief, but it came back  
again and again, and for six long  
years I have suffered more misery and  
agony than I can tell. It was worse  
than death. My husband spent hun-  
dreds of dollars for physicians' pre-  
scriptions and treatment without  
avail. Finally we moved to Bosque  
county, our present home, and one day  
I happened to see an advertisement of  
Chamberlain's Colic, Cholera and  
Diarrhoea Remedy with a testimonial  
of a man who had been cured by it.  
The case was so similar to my own  
that I concluded to try the remedy.  
The result was wonderful. I could  
hardly realize that I was well again,  
or believe it could be so after having  
suffered so long, but that one bottle of  
medicine, costing but a few cents,  
cured me." For sale by Kirkland  
Drug Co.

There is more catarrh in this section  
of the country than all other diseases  
put together, and until the last few  
years was supposed to be incurable.  
For a great many years doctors pro-  
nounced it a local disease and pre-  
scribed local remedies, and by con-  
stantly failing to cure with local treat-  
ment, pronounced it incurable. Science  
has proven catarrh to be a constitu-  
tional disease and therefore requires  
constitutional treatment. Hall's Cat-  
arrh Cure, manufactured by F. J.  
Cheney & Co., Toledo, Ohio, is the  
only constitutional cure on the market.  
It is taken internally in doses from 10  
drops to a teaspoonful. It acts directly  
on the blood and mucous surfaces of  
the system. They offer On Hundred  
Dollars for any case it fails to cure.  
Send for circulars and testimonials.  
Address, F. J. CHENEY & CO.,  
Toledo, Ohio.  
Sold by druggists, 75c.  
Hall's Family Pills are the best.

### Summer Showers.

Parker Special.  
We hear, on all sides, the sighs  
for summer weather, by the farm-  
ers. "We can't make hay without  
the sunshine". It is true, we are  
having frequent showers, but so  
mild and pleasant; though we can  
not make hay, we are certainly fa-  
vored, when we look around us,  
and think of the violent storms,  
floods and the many disasters of  
other places.

Let us be happy and appreciate  
our many blessings and hope for  
sunny days with their bountiful  
harvests, in which Oregon has nev-  
er failed.

No man or woman in the state will  
hesitate to speak well of Chamberlain's  
Stomach and Liver Tablets after once  
trying them. They always produce a  
pleasant movement of the bowels, im-  
prove the appetite and strengthen the  
digestion. For sale by Kirkland Drug  
Co.

### In Memoriam.

A tender bud in a garden grew,  
A blossom frail and white;  
Nourished awhile on Nature's breast,  
But dead at the fall of night.

So, like the flowers, a baby came,  
And lived its brief day through;  
A tender bud of innocence—  
Example for me and you.

The weary mother fell asleep;  
For her the babe was lone.  
The All Wise Father saw the grief  
So He called His blossom home.

Weep not, oh heart of earth!  
For them the dawn is clear;  
And in God's garden blooms  
The flowers you mourn for here.
